State Of Washington
Respondent,

V.

James Sterling Turner
Appellant,

No: 46611-2-11
Statement Of Additional Grounds for Review

I James Turner have received and reviewed the opening brief prepared by my attorney. Summarized below are the additional grounds for review that are not addressed in that brief. I understand the court will review this Statement of Additional Grounds for review when my appeal is considered on the merits.

Additional Ground One

I was manipulated by both of my attornies; Chuck Ramsdell and Michelle Taylor. Mr Ramsdell lead me to believe I had to go through with the felone bindover process. And if I agreed to stay in District Court for an additional month, the

prosecutor (Mr. Davey) would dismiss this case if he reviewed all the facts and Video. Ms. Taylor told me she didn't want to use ANY of my alibi witnesses at Trial. Because it would look like I was trying to have to prove reasonable doubt and not to stress because Mr. Ramsdell and Mr. Harris (my investigator) were going to testify. They both could testify to what the Victom has said and my witnesses. I told Ms. Taylor I wasn't comfortable with that because if I lost none of my witnesses testimony would be "on the record" and I wouldn't be able to use it in a appeal. Ms. Taylor assured me that that wasn't true and that we have a VERY strong case. "All the Jury has to do is View the Video"! Neither Mr. Ramsdell or Mr. Harris Testified!!!

Additional Ground Two

Ms. Taylor failed to ask/bring up VERY important questions in front of and/or to the Jury. I wasn't asked if I shop at that store or when. Or

where I was, during the robbery or if I commited the act. Or what I do for work or how much I work. Ms. Taylor didn't ask Ms. Larson (the victim) if I robbed her, or how big the robber was and how she can be so sure about her discription. Ms. Taylor didn't ask Detective Keller why he was so sure I was the robber. Ms. Taylor didn't ask Adrienne Taylor (my ex girlfriend) if I was in Western Washington during the robbery. Or why I had the B.B. Gun. Or if we were together and when we broke up and when I moved out. Ms. Taylor didn't ask Mr. Ramsdell about the conversation he had with Ms. Larson. Ms. Taylor didn't ask Mr. Harris about any of his research.

Additional Ground Three

Ms. Taylor failed to bring up any other explanation to why my cigarette butt was at that store and where it was. Or any other interpretation of the video.

Additional Ground Four

Ms. Taylor didn't move to surpress all the stuff in my backpack, (b.b. Gun) due to an illegal search. How was there a search warrant based on me being a felon when my wallet/identifing papers were zipped up in a pocket in the bag? And Adrienne had a lease agreement that allowed for the tell Summer. The Police thought we were trespassing.

Additional Ground Five

Ms. Taylor didn't even attempt to show the Jury who I am as a Human Being.

I do not feel comfortable bad mouthing or coming down so hard on the Justic System. In my past experiances Charges brought against me weren't always accurat. But I was guilty of something. This time their wrong and I feel that the Office of Public Defense in Kitsap County Washington not

only eniffectively represented me but purposely hindered my Defense of this charge. Thank you for your time and concideration.

Sincerely
James Turner
