Appellant.	)	

I, Kevin D. Moore, have received and reviewed the opening brief prepared by my attorney. Summarized below are the additional grounds for review that are not addressed in that brief. I understand the Court will review this Statement of Additional Grounds for Review when my appeal is considered on the merits.

Additional Ground 1

I feel that the Prosecutor violated My motion of Limine when he said "I was a drug dealer and the Source" None of the witnesses had said that or even Indicated that. He continued to point me as a drug dealer when only one person pointed that finger and it was Mitchell Cornwell and he pointed it at Ian Mewa.

Additional Ground 2

I feel that the prosecutor violated BRADY LAW by not giving us the statement made by Ian Mewa and the many statements made by Mitchell Cornwell, Alfredo Garza and Brian Shaw.

If there are additional grounds, a brief summary is attached to this statement.

Additional Ground 3

I feel that there should have been an evidenciary hearing on the impeach-ment issues on Mitchell Cornwell. My Attorney touched on this in my Brief but I would like to elaborate a little bit. One I beilive that the Prosecutor acted in Misconduct, for one the Burg I that weren't allowed in as impeach-ment issue was charged on Mr. Cornwell months before then dropped and brought up again before my trial and dismissed after his testimony. I beilive he acted the way or testified the way he did do to the fact of the pending Burg I and feel it should have been brought up in the trial

Additional Grounds 4

I feel that there should have been an evidenciary hearing on My Plane tickets and my hotel bill allowing them in to evidence as my alibi. Also the receipt of Brian Shaw's showing when owner ship of the car was transferd to him should have had an evidenciary hearing.

Additional Grounds 5

I think it was improper for the prosecutor to say that me and my alibi witness were liers and worked some kind of master plan to fool everybody. And that every one that testified on my behalf would perjure them selfs, and that they have no regard for the law.

Additional Grounds 6

I feel that Detective Dave H. Haller should have been excluded from the court room beens he was to testify in this case.

Additional Grounds 7

I feel that Judge Richard Stroughy commited Judicial Misconduct at Sentencing by stating that he wishes he could give me life, or what he really wishes is that I was a dog that he could put down ect...

Additional Grounds 8

I dont think there should have been any thing said about any drugs being involved. There was no proof and could continued with trial with out it. I feel that the prosecutor used it to show propensity to commit a crime.
