1 Dismissals include cases in which the defendant has successfully completed the terms of deferred prosecution.

2 Charge dispositions do not reflect outstanding warrants. DUI dispositions--like DUI charges--include those for any secondary charge on a DUI citation.

3 Many settings occur for cases which never proceed to trial. Rescheduling of cases which do go to trial are also included.

1 Current judge and commissioner FTEs as of December 31, 1998.

2 Part-time judge and commissioner FTEs are based on a 35-hour work week to facilitate comparison among courts.

3 Includes both district court and municipal department case filings.

4 Includes judicial FTEs needed for pre-filing hearings (e.g., bail hearings, preliminary appearances, probable cause hearings, search warrants), as well as for district court travel, municipal department travel, and as a commissioner for the superior court.

5 Positive values indicate FTE need beyond current judicial resources.

6 Current judicial FTEs exclude the presiding judge of the King County District Court, whose administrative functions preclude the adjudication of cases.

The Courts of Limited Jurisdiction  
Staffing, 1998

- 1 Actual commissioner, magistrate, and part-time judge FTEs are based on the number of hours in the court's work week.
- 2 Commissioner, magistrate, and part-time judge FTEs are based on a 35-hour work week to facilitate comparison among courts.
- 3 The superior court commissioner FTE values reflect time spent by limited jurisdiction judicial officers serving as general jurisdiction commissioners, based on case-related time in a 35-hour judicial work week.
- 4 Actual administrative staff FTEs are based on the number of hours in the court's work week.
- 5 40-hour work week FTEs for administrative staff are based on a 40-hour week to facilitate comparison among courts.

<sup>1</sup> Dismissals include cases in which the defendant has successfully completed the terms of deferred prosecution.

<sup>2</sup> Charge dispositions do not reflect outstanding warrants. DUI charge dispositions--like DUI charges--include those for and secondary charge on a DUI citation.

# Caseloads of the Courts of Washington DUI Disposition and Sentencing Reports Highlights

## Introduction

During the past several years, there has been an increasing public and court demand for better information concerning Driving Under the Influence (DUI). Judges are frequently asked for statistics about how these cases are handled and the effectiveness of deferred prosecution or other court imposed sanctions. To respond to these requests and to provide information judges can use to manage their caseloads, the Judicial Information System Committee (JISC) designated a committee of judges to develop a set of DUI management reports.

The following statewide summary reports reflect DUI or Physical Control cases that reached disposition January through December 1998. Please note that this information is available only for courts which were on the DISCIS computer system (District and Municipal Court Information System), and only for cases disposed after January 1, 1995. The Office of the Administrator for the Courts will produce these statewide reports annually for cases that reached disposition during the preceding year. Future years figures will increase as a consequence of additional courts being added to DISCIS.

For an individual court's reports, contact the local court's administrator. Variations among courts can be attributed to local court filing practices, clerical data entry procedures, prosecutor, or court practices. Please contact the court for more information or an explanation about how unique court data is affected by local practices.

A case is selected for the reports if it includes an original charge of DUI, physical control or an equivalent local ordinance, and the charge has been disposed during the date range specified for running the report. The row labels on each report are identical and describe three mutually exclusive sets of cases: 1) charges entering the system as a DUI and disposed as a DUI, 2) charges entering the system as a DUI and amended to a different charge, and 3) other charges written on the same ticket as the DUI charge.

The DUI Disposition and Sentencing Reports are composed of four statistical reports. The first report describes how DUI charges are disposed. The second report explains the effectiveness of deferred prosecution and other prosecutor deferral programs. The third report provides the common reasons for dismissal of charges. The final report furnishes information on the average amount of jail and fine/costs imposed on a convicted defendant. For assistance using these reports, contact the Office of the Administrator for the Courts, Court Services Unit, (360) 753-3365.

## Sentencing Report

The function of the first report is to describe how DUI charges are being disposed. The report separates charges into two categories, charges with a disposition not adverse to the defendant and charges with a disposition adverse to the defendant. Charges with a disposition not adverse to the defendant appear on the left side of the report under the label "No Sentence Conditions Imposed."

This category includes **ONLY** charges where the individual was acquitted or where the charge was dismissed without conditions (this can occur when there is insufficient evidence to sustain the charge, witnesses are not present, the defendant was found incompetent to stand trial, etc.).

Charges with adverse dispositions appear on the right side of the report in the section labeled "Sentence Conditions Imposed or Awaiting Sentence." According to RCW 1 0.97.030 a disposition adverse to the defendant includes convictions or dismissals entered after a period of probation, suspension, or deferral of sentence. The following dispositions appear on this part of the report: (1) guilty and bail forfeitures, (2) deferred prosecution programs, and (3) prosecutors deferral/diversion programs.

Defendants ordered to deferred prosecution programs or probation status must comply with specific court ordered conditions as if they were convicted. The types of conditions routinely ordered by the court include jail time, fines, court costs, probation fees, substance abuse treatment, attendance at victim impact panels, electronic home detention, or victim restitution.

The disposition of DUI cases is directly impacted by resources available to courts and criminal justice entities. When resources are very scarce, prosecutors typically screen DUI cases to determine which have the best chance for success (i.e., conviction). These are the cases which are likely to proceed to trial. Cases determined to have less chance for conviction on a DUI charge are frequently negotiated to convictions for lesser charges. Local jurisdictions have adopted various policies for screening DUI cases to determine how they will be prosecuted. For example, some prosecutors vigorously screen cases prior to filing with the court to determine the most appropriate charge; i.e., DUI vs. physical control vs. reckless driving. In other jurisdictions, law enforcement officers file tickets directly with the court without prior prosecutorial review. Unique practices such as these, often adopted because resources are limited, may affect the disposition of DUI cases from court to court.

## **Deferred Prosecution/Deferral Report**

This state utilizes two alternative processes for disposing DUI charges prior to convicting, acquitting or dismissing charges. These two programs are Deferred Prosecution (Def Pros) and Prosecutors Deferral/Diversion Program (Pros Defer). This report describes the number of charges referenced into or out of these programs during the reporting period.

Deferred Prosecution Program is authorized under Chapter 10.05 RCW, which allows defendants with a significant alcohol or drug addiction problem to petition the court to have the disposition of their charge deferred until they have completed an intensive substance abuse treatment and met other conditions required by the court. At the end of two years, if the defendant has successfully completed the terms of the program, the charge is dismissed; for those that fail, the deferred status is revoked and the defendant is prosecuted for the original DUI charge.

Prosecutors Deferral/Diversion Program is requested by the prosecutor and allowed by the court when the evidence is insufficient to result in a conviction at a trial. The defendant is required to successfully complete substance abuse treatment, and other requirements as if convicted; upon successful completion, the DUI charge may be reduced. The Prosecutors Deferral/Diversion Program allows the court to maintain supervision over defendants who are unlikely to be convicted, while giving the court the ability to impose conditions including treatment and victim restitution.

The report is a "snapshot" of the current status of the charges, which means that the charges referred

out of the program are **NOT** the same charges entering the program during the reporting period. The report calculates the successful completion rate of charges referred out of the program during the reporting period.

## **Charges Dismissed Report**

The third report provides the common reasons for dismissing a charge. The report details the dispositions recorded under the section "No Sentence Conditions Imposed" found on the first report. Common reasons for dismissal include the unavailability of witnesses, death of the defendant, expiration of warrants, etc. For many courts, the percentage of "Other Charges" dismissed is significantly higher than the number of DUI or physical control charges dismissed. This is typically the result of a plea negotiation between the prosecutor and the defendant. The defendant agrees to plead guilty to the DUI or physical control charge in exchange for the prosecutor recommending the dismissal of other charges filed against the defendant on the same DUI ticket.

## **Conditions Of Sentence Report**

The fourth report describes the average jail and fine/cost conditions imposed on a defendant found guilty or allowed to forfeit bail as the final disposition for the charge. The amount imposed refers to the total number of jail days or fine/cost dollars sentenced. The amount ordered to serve or to pay reflects the amount the court did **NOT** suspend from the total imposed. Typically, a court will impose the maximum jail sentence allowed, while suspending a majority of the days to be served. The court does this so that it may automatically reimpose the suspended portion of the sentence if the defendant fails to comply with other conditions of sentence. Most defendants are required to serve some jail sentence and pay some fine/cost amount. Generally, there are two reasons why all DUI convictions would not have a jail sentence imposed: (1) if the court makes a special finding that the imposition of a jail sentence will pose a risk to the defendant's physical or mental well being, or (2) the court forfeits bail as the final disposition because it is unable to reach a defendant who lives outside the state. In some circumstances, the court has the authority to waive or suspend fines or costs if the defendant is found to be indigent. The average amounts imposed and ordered to be served or paid are aggregate totals, which means the average sentence for repeat offenders would probably be much higher than the aggregate average, and the average sentence for a first time offender would probably be lower.

# Caseloads of the Courts of Washington

## DUI Reports - Row Descriptions For All Reports

The following row descriptions apply to all of the DUI REPORTS:

Row Name		Description
<b>ORIGINAL</b>		Charges originally filed and disposed as either a DUI or Physical Control charge.
	<b>DUI</b>	A count of all charges originally filed and disposed as RCW 46.61.502 or equivalent local ordinance.
	<b>PHY CNTL</b>	A count of all charges originally filed and disposed as RCW 46.61.504 or equivalent local ordinance.
<b>AMENDED TO</b>		Charges amended and disposed that were originally charged as DUI or Physical Control.
	<b>NEG DRIV</b>	A count of all charges originally filed as either a DUI or Physical Control that were amended to RCW 46.61.525 "Negligent Driving."
	<b>REC DRIV</b>	A count of all charges originally filed as either a DUI or Physical Control that were amended to RCW 46.61.500 "Reckless Driving."
	<b>OTHER</b>	A count of all charges originally filed as either a DUI or Physical Control that were amended to any other charge. (Category includes all local ordinances.)
<b>OTHER CHARGES</b>		Additional charges filed and disposed on the same DUI or Physical Control case number, in other words, the second charge on the DUI ticket.
	<b>DWLS</b>	A count of all charges filed on the same DUI or Physical Control case number and disposed; filed under RCW 46.20.342 "Driving While License Suspended 1st, 2nd, or 3rd Degrees."
	<b>NVOL</b>	A count of all charges filed on the same DUI or Physical Control case number and disposed; filed under RCW 46.20.021 "No Valid Operators License."
	<b>OTHER</b>	A count of all charges filed on the same DUI or Physical Control case number and disposed; filed under any other charge. (Category includes all local ordinance numbers.)

- 1 Figures in this table are not comparable to those presented in the previous chapter, The Courts of Limited Jurisdiction. Counts in this table are based on information for only those courts that were on the DISCIS (District and Municipal Court Information System) during the report period. Moreover, the figures in this table are based on numbers of charges, whereas some DUI figures in the previous chapter are based on numbers of cases.
- 2 The charge was dismissed without conditions, or the defendant was found not guilty of the charge. Charges can be dismissed on:
  - The court's own motion (Court)
  - Motion of the prosecution (Prosecution)
  - Motion of the defense (Defense)
  - For other reasons (Other)
- 3 Sentence conditions were imposed on the defendant after the charge was adjudicated. This will result when the defendant is convicted, allowed to forfeit bail, granted deferred prosecution, or a stipulated order deferring the outcome of the charge is entered. The categories under this heading are as follows.
  - Guilty/Bail Forfeiture--charges with a finding of guilt, or bail was forfeited as a final disposition. (Bail may be forfeited and a warrant issued if a defendant has failed to appear.)
  - Deferred Prosecution--charges placed in, completed, or revoked from a deferred prosecution program.
  - Prosecutor's Deferral--charges placed in, completed, or revoked from a prosecutor's deferral or diversion program. This occurs when the prosecutor enters into a stipulated agreement with the defendant. (Please see the notes in the next table.)
  - Total Sentences--the total number of charges in the row resolved with sentence conditions imposed.
  - Total/Awaiting--the total number of charges in the row resolved with sentence conditions imposed, or found guilty and awaiting sentencing.
- 4 Effective June 6, 1996, the Washington State Legislature created the crime of negligent driving in the first degree, and decriminalized the prior offense of negligent driving and renamed it negligent driving in the second degree. The row includes counts for both degrees of the offense of negligent driving. The significant increase in the number of DUI charges amended to negligent driving during 1997 is likely explained by the fact the penalties associated with negligent driving are less severe than for DUI. However, a conviction for negligent driving in the first degree will be considered as a prior DUI offense for sentencing purposes if the defendant is later convicted on a subsequent DUI charge.

DUI Filings: Statewide Summary  
 Deferred Prosecution/Deferral Report For Charges Disposed1, 1998

1 Figures in this table are not comparable to those presented in the previous chapter, The Courts of Limited Jurisdiction. Counts in this table are based on information for only those courts that were on the DISCIS (District and Municipal Court Information System) during the report period. Moreover, the figures in this table are based on numbers of charges, whereas some DUI figures in the previous chapter are based on numbers of cases.

2 The categories under Deferred Prosecution include the following:

- In Progress--charges in a deferred prosecution program until certain conditions are met.
- Completed Program/Charges Dismissed--charges that have been dismissed where the defendant completed the conditions of the deferred prosecution program.
- Program Revoked/Defendant Convicted--charges removed from a deferred prosecution program, where a finding of guilt and sentence has been entered.
- Completion Rate--an estimate of the completion rate for charges disposed from deferred prosecution. The estimate is calculated by dividing the Completed Program Charges Dismissed by the sum of Completed Program/Charges Dismissed and Program Revoked/Defendant Convicted.

3 The categories under Prosecutor's Deferral Or Diversion include the following:

- In Progress--charges in a prosecutor's deferral or diversion program. This occurs when the prosecutor enters into a stipulated agreement with the defendant. Upon completion or adherence to specific conditions, the court may reduce the charge to a lesser offense, dismiss the charge, or the defendant may enter a plea of not guilty. This is known as a deferred finding, deferred sentence, agreed continuance, or court accepted diversion program.
- Completed Program/Charges Dismissed--charges that have been dismissed where the defendant completed the conditions of a deferral/diversion program.
- Completed Program/Charges Reduced--charges that have been reduced from the original DUI where the defendant completed conditions of a deferral/diversion program.
- Program Revoked/Defendant Convicted--charges removed from another deferral/diversion program, where a finding of guilt and sentence has been entered.
- Completion Rate--an estimate of the completion rate for charges disposed from a prosecutor's deferral or diversion program. The estimate is calculated by dividing the sum of Completed Program/Charges Dismissed and Completed Program/Charges Reduced by the sum of Completed Program/Charges Dismissed and Completed Program/Charged Reduced and Program Revoked/Defendant Convicted.

DUI Report: Statewide Summary  
 Charges Dismissed Report For Charges Disposed1, 1998

1 Figures in this table are not comparable to those presented in the previous chapter, The Courts of Limited Jurisdiction. Counts in this table are based on information for only those courts that were on the DISCIS (District and Municipal Court Information System) during the report period. Moreover, the figures in this table are based on numbers of charges, whereas some DUI figures in the previous chapter are based on numbers of cases.

2 The categories under this heading are as follows:

- Age Of Case--charges dismissed because the state or city has not met the time limit.
- Defendant Deceased/Found Incompetent--charges dismissed because the defendant has died prior to adjudication or was found incompetent to stand trial.
- Filed in Superior Court/Lacked Jurisdiction--charges dismissed because they are to be filed directly in district or superior court, the court lacks adequate jurisdiction over the case or defendant, or duplicate charges were filed on the same incident.
- Motion of Parties--charges dismissed on motion of the parties; includes dismissal granted as part of plea negotiation or bargain.
- Lack of Probable Cause/No Prima Facie Case--charges dismissed because the state or city has not established probable cause, or does not have sufficient facts or evidence, charging document is inadequate, or defendant cited was not the person who committed the offense.
- Charges Not Filed Pending Investigation--charges not filed at this time pending further investigation.
- Witness Not Present/Victim Request--charges dismissed because witnesses are not present or are uncooperative, or at the request of the victim.
- Recall Warrant Expired--includes charges dismissed; warrant expired; recalled on state's or city's motion.
- Other--charges dismissed on other state's or city's motion. Includes compromise of misdemeanor and charges dismissed due to defendant's current incarceration.

3 The categories under this heading are as follows:

- Recall Warrant Expired--includes charges dismissed; expired; recalled on state's or city's motion.
- Other--charges dismissed on other court's motion.

- 1 Figures in this table are not comparable to those presented in the previous chapter, The Courts of Limited Jurisdiction. Counts in this table are based on information for only those courts that were on the DISCIS (District and Municipal Court Information System) during the report period. Moreover, the figures in this table are based on numbers of charges, whereas some DUI figures in the previous chapter are based on numbers of cases.
- 2 This table contains counts, percentages, and averages for charges that resulted in a guilty finding or bail forfeiture during the reporting period. Guilty findings include charges disposed with a finding of guilt resulting from the revocation of a deferred prosecution or other deferral program. The table does not include charges awaiting sentencing.
- 3 The columns are defined as follows:
  - Imposed Number--the number of charges where the sentence condition was imposed.
  - Imposed Percent--the percentage of total guilty charges in that row which imposed that sentence condition.
  - Imposed Average--the average number of days or dollars imposed for that sentence condition.
  - Ordered to Serve/Pay Number--the number of charges where the sentence condition was ordered to be served/paid.
  - Ordered to Serve/Pay Percent--the percentage of total guilty charges in that row where the sentence condition was ordered to be served/paid.
  - Ordered to Serve/Pay Average--the average number of days or dollars that were ordered to be served/paid for that sentence condition.
- 4 Effective June 6, 1996, the Washington State Legislature created the crime of negligent driving in the first degree, and decriminalized the prior offense of negligent driving and renamed it negligent driving in the second degree. The row includes counts for both degrees of the offense of negligent driving. The significant increase in the number of DUI charges amended to negligent driving during 1997 is likely explained by the fact the penalties associated with negligent driving are less severe than for DUI. However, a conviction for negligent driving in the first degree will be considered as a prior DUI offense for sentencing purposes if the defendant is later convicted on a subsequent DUI charge.

# Caseloads of the Courts of Washington

## Courts of Limited Jurisdiction Highlights

- [Filings](#)
  - [Proceedings, Dispositions, And Appeals](#)
  - [Revenue](#)
- 

### Filings

- Washington's courts of limited jurisdiction (district and municipal courts and traffic violations bureaus) received 2,154,748 new case filings in 1998. This represents a 1.3 percent increase from 1997.
  - Traffic infraction filings, which account for 60 percent of the total caseload (excluding parking), increased by 2.5 percent.
  - DUI/physical control filings increased by 2 percent, and other traffic misdemeanors rose by 1.9 percent. Civil filings increased by 2.8 percent.
  - Parking filings increased by 1.3 percent to 840,939.
  - Non-traffic misdemeanors declined by 2 percent, and non-traffic infractions declined by 11 percent.
- 

### Proceedings, Dispositions, And Appeals

- Total charge dispositions increased by 5.4 percent, due largely to a 14 percent increase in parking dispositions.
  - Contested proceedings rose by 4.4 percent in 1998. The 6.6 percent rise in contested infraction hearings more than offset declines in jury and non-jury trials.
- 

### Revenue

- Revenue (excluding the 30 percent Public Safety and Education Assessment {PSEA}) continued to increase to a new high of \$131,359,592 (up 5.8 percent). Additionally, \$17,093,946 was collected in conjunction with the 30 percent PSEA.
- Revenue from traffic and non-traffic infractions rose by 8.1 percent. Revenue per committed traffic infraction increased by 6.7 percent to \$86.84. This increase was largely due to the Washington State Legislature's imposition of a new \$5 penalty on all committed traffic infractions. The revenue from this penalty is dedicated to support emergency medical and trauma care.
- Parking revenue increased by 1.5 percent, and revenue from DUI/physical control filings grew 5.2 percent.

# Caseloads of the Courts of Washington

## Courts of Limited Jurisdiction: Understanding Caseload Tables

The following tables contain statistical information summarizing the judicial caseloads of all Washington courts of limited jurisdiction. Information presented here was provided by court administrators and clerks of each district court, municipal court, and traffic violations bureau via monthly reports. Following administrator/clerk verification of the courts' data, prosecutors were given an opportunity to review information for their county prior to publication.

Reporting courts are listed by county and categorized into four types: district courts (which may sponsor branch locations in addition to the primary site), municipalities that contract for services from district courts (indented under the appropriate district court), independent municipal courts, and traffic violations bureaus (listed alphabetically after the district courts).

The designation "N" indicates that no information was received from the court for the specified item. The designation "P" indicates that information was received for only part of the year. Incomplete data are not included in state totals.

The number of cases transferred from a court or traffic violations bureau to another court has been deducted from the filings in the originating violations bureau.

Occasionally corrections are made to data reported for an historic year (any year prior to the current year). Therefore, figures published for that historic year in the current year's report, may differ from the figures published in that historic year's report. Reference to the most recent annual Report of the Courts of Washington will ensure the most accurate statewide information for current and prior years.

A glossary is included in this chapter. Please consider the definitions and reporting conventions detailed in the glossary when interpreting statistics provided in the following tables. Additional information can be attained from *Collecting and Reporting Court Statistics: A Manual for Courts of Limited Jurisdiction*.

# Caseloads of the Courts of Washington

## Courts of Limited Jurisdiction: Policy On Partial Reporting And Incomplete Data

*The Caseloads of the Courts of Washington* is the sole source of statewide statistics regarding operation of this state's courts. In order to serve as a reliable document, it is imperative the statistics accurately reflect court activity.

All data collected by Research and Information Services are reported to the Office of the Administrator for the Courts on a monthly basis by court administrators and chief clerks in the state's courts.

Virtually all courts provide complete reporting of statistical data, as mandated by RCW 2.56.050. Occasionally a court does not report complete statistics. This "partial reporting" falls into two categories:

1. reports are not submitted for every month in a calendar year, or
2. certain items within the report are not submitted for every month.

Partial reporting creates a dilemma. For courts with partial reporting, it is not feasible to indicate the number of months on which each item is based. Therefore, inaccurate conclusions and relationships could be derived from figures representing some unknown portion of the year.

As a consequence, it is the policy of the Office of the Administrator for the Courts that only those items with all 12 months of data will appear in *the Caseloads of the Courts of Washington* and all other year-end compilations and summaries provided by the Office of the Administrator for the Courts.

"P" (partially reported) appears in lieu of statistical counts for any item missing one or more months' data. It follows that "P" will appear in **all** items for any court missing one or more monthly reports. "N" (not reported) is used to indicate that no data were received during the year.

**Exceptions:** Courts are occasionally established, dissolved, or experience a change in contracting relationships in the middle of a calendar year. In such a case, the court would not have activity to report for that portion of the calendar year in which it is not active. Providing the court's statistics are submitted for the months in which it is active, full reporting has taken place. Figures will be presented in *the Caseloads of the Courts of Washington* and other year-end compilations and summaries.

There may be unusual circumstances warranting exception to this policy. These will be evaluated by Research and Information Services on an individual basis, and a decision will be made with respect to consequent impact upon the integrity of statewide statistics.

Courts which have difficulty in reporting complete statistics throughout the year are encouraged to contact the Office of the Administrator for the Courts for assistance.

---

### Note:

- Covington Municipal Court was established as a contracting municipality under the King County District Court, Aukeen Division. Figures reflect activity for November and December.
- King County District Court also opened a new Jail Division in April. Figures reflect activity from

April through December.

- Figures reported for all other courts and violations bureaus reflect a full 12 months' activity. "P" (partial reporting) or "N" (no reporting) is displayed for all other courts with less than 12 months' data.

# Staffing

## Estimated Judicial Resource Needs

**Full-Time Equivalency (FTE)** - For all judicial officer personnel other than full-time resident judges, the total number of standard work hours each week divided by 35 hours per week. For example, a commissioner who works 35 hours per week equals 1.0 FTE. A part-time judge working a 20-hour week, and a commissioner working a 10-hour week are equivalent to .86 FTEs.

**Current Judge FTEs** - The number of full-time and part-time judge FTEs in court at year-end. This includes the number of full-time resident judges and the FTEs computed from part-time judges, excluding visiting and pro tempore judges.

**Current Commissioner FTEs** - The number of full-time and part-time commissioner FTEs in court at year-end, excluding visiting and pro tempore hours.

**Total Current Judicial FTEs** - The FTEs for full-time judges, part-time judges, full-time commissioners, and part-time commissioners, excluding visiting and pro tempore hours. Court magistrates are excluded from this value.

**Estimated Caseload FTE Need** - Judicial FTE needs estimated from the weighted caseload system based solely on district court and municipal department case filings.

**Estimated Local Supplemental FTE Need** - Judicial FTE needs estimated from semiannual surveys. This value includes time spent by judicial officers on (1) pre-filing hearings (e.g., bail hearings, probable cause hearings, and preliminary appearances), (2) district court travel between district court locations or contracting municipalities on district court matters, (3) municipal department travel on municipal department matters, and (4) as a commissioner for the superior court.

**Total Estimated FTE Need** - The FTE needs from estimated caseload and supplemental category needs.

**FTE Difference** - The difference between current judicial FTEs and total estimated FTE needs in a court; a positive value indicates the number of additional judicial FTEs needed to meet the existing court workload.

## Current Court Staffing

**Full-Time Equivalent (FTE)** – The combined number of hours for which a group of individuals is paid to work each week during the year, divided by a standard number of hours per week. For example, a person that is paid to work 40 hours per week equals one FTE. Two people working a 40-hour week and one working a 20-hour week are equivalent to 2.5 FTEs.

**Work Week** – The number of hours that are officially recognized as constituting a full-time work week.

**Actual Full-Time Equivalents (FTEs)** – Actual FTEs are based on the number of hours in the court's work week.

**35-Hour Work Week FTEs** – FTEs based on a 35-hour work week to facilitate comparison among courts.

**Superior Court Commissioner FTEs** – Total limited jurisdiction court judicial FTEs serving as general jurisdiction commissioners, based on case-related time in a 35-hour work week.

**Administrative FTEs** – Total court administrator and staff FTEs, including assistant administrators, bailiffs, confidential secretaries, judicial assistants, clerks, and secretaries that support court operations.

# Infractions

## Casetypes

Infractions are identified and defined under RCW 46.63.020 and include violations of traffic statutes, laws, or ordinances that are not punishable by a jail sentence. There are three types of infractions:

**Traffic Infractions** - Cases that pertain to (1) the operation or condition of a vehicle whether it is moving, standing, or stopping, and (2) pedestrian offenses.

**Non-Traffic Infractions** - Cases including violations of RCW 18.27.340 and 18.106.020, contracting and plumbing license violations, and offenses decriminalized under municipal code, such as dog leash violations in some municipalities.

**Parking Infraction** - Cases pertaining only to violations of parking statutes and ordinances.

## Filings

**Notices of Infraction Filed** - Individual Uniform Court Docket forms received by the reporting court during the year. Each notice of infraction can contain up to three charges. Previously closed matters that have been reopened (for example, FTAs) are not counted. Violations charged are shown separately.

**Number of Violations Charged** - All violations for those infractions filed during the month as recorded on the Uniform Court Docket under the section entitled, "and did then and there commit each of the following offenses/infractions." There will be at least one, and no more than three, violations per notice of infraction (increased from two, effective January 1, 1995).

## Proceedings

Proceedings include all hearings held in open court. A proceeding is conducted in "open court" if it is held in a courtroom with the judge, at least one of the parties to the action is present, and court is "in session." Hearings outside the courtroom, such as those in chambers, should only be considered to be open court if they are "on the record" (electronically recorded where statute requires).

**Mitigation Hearing** - A hearing at which the offender agrees to having committed the offense but wishes to explain the circumstances to the court, pursuant to provisions of RCW 46.63.100. Witnesses may not be required to attend but may attend voluntarily.

**Contested Hearing** - A hearing at which the defendant contests the infraction pursuant to the provisions of RCW 46.63.090. Witnesses, including the citing officer, may be required to attend.

**Show Cause Hearing** - A hearing resulting from a failure by the defendant to appear for a requested mitigation or contested hearing. If the show cause hearing is followed immediately by a mitigation or contested hearing, the second hearing is also reported in the appropriate category.

**Other Hearing on the Record** - Any hearing, other than those above, that meets the criteria for proceedings that must be electronically recorded where statute requires. Routine paper signing is not counted in this category. Two criteria are used to determine this type of hearing. First, at the onset of the hearing, the judge states the name and number of the case and the names of the attorneys for the parties who are represented. Second, records of proceeding must be kept according to the appropriate method (i.e., electronically recorded where statute requires or recorded on the docket).

## Dispositions

A disposition is the resolution of an issue that has been brought before the court. Each violation charged has one disposition. This includes all dispositions within the year, regardless of when the charge was originally filed.

**Paid** - An instance when the defendant has paid the penalty in full for the infraction offense without an appearance in court by the defendant or his/her representative. The Abstract of Judgment will be marked as "P."

**Committed--Failure to Respond/Failure To Appear** - An instance when the defendant failed to respond to a notice of infraction (FTR) or failed to appear for a scheduled hearing (FTA). This is a final disposition regardless of any subsequent actions or payments.

**Committed** - A decision by the court that a defendant committed the infraction that was charged.

**Not Committed** - A decision by the court that a defendant has not committed the infraction that was charged.

**Dismissed** - An infraction charged against the defendant and rejected by the court.

## Appeals

All infraction cases that have been appealed to the superior court. Appeals are counted by case rather than by charge.

## Revenue

All monies received during the year for penalties and assessments in connection with infractions, regardless of when the original infractions were filed or processed. Effective June 9, 1994, this includes a \$10 JIS fee (imposed on all committed infractions and subject to the 30 and 60 percent PSEA). The infractions revenue reporting category does not include the 30 percent assessment implemented May 1, 1986. For that figure, see PSEA below. Effective January 1, 1998 the Washington State legislature imposed a new \$5 penalty on all committed traffic infractions, which is dedicated entirely to support emergency medical services and trauma care.

# Misdemeanors

## Casetypes

Misdemeanors are violations of traffic and criminal statutes, laws, or ordinances that are punishable by a jail sentence and not by imprisonment. This includes all traffic violations that may be classed as criminal offenses and are listed as exceptions under RCW 46.63.020.

**DUI/Physical Control** - Cases that cite RCW 46.61.502, driving while under the influence of intoxicating liquor or drugs, or RCW 46.61.504, actual physical control of a motor vehicle while under the influence of intoxicating liquor or drugs.

**Other Traffic Misdemeanor** - All citations/complaints other than those counted under DUI/Physical Control that pertain to the operation or use of a vehicle.

**Non-Traffic Misdemeanor** - Criminal cases, excluding DUI/Physical Control, Other Traffic, and Felony complaints, punishable by up to one year in jail and/or a fine of up to \$5,000.

## Filings

**Citations/Complaints Filed** - Individual Uniform Court Docket forms received by the reporting court during the year. Each Uniform Court Docket form can contain up to two charges. These also include Misdemeanor Complaints filed by the prosecutor.

**Number of Violations Charged** - All charges for those misdemeanors filed during the year as recorded on the Uniform Court Docket. There will be at least one, and no more than two, charges per citation. For DUI/Physical Control Citations, any additional charges on the same complaint form are considered drunk driving violations.

## Trial Settings

A setting is the establishment of a trial date and courtroom. Settings include all scheduling and rescheduling during the calendar year, regardless of the date for which the trial is set.

**Non-Jury Trials Set** - Scheduling of bench trials before the judge (without a jury), at which the defendant contests the charges.

**Jury Trials Set** - The setting of any trial on a jury trial calendar.

## Proceedings

All hearings, bench trials, and jury trials held in open court are included in proceedings.

**Arraignment** - A separate hearing conducted in open court that consists of reading the complaint to the defendant or stating the substance of the charge, and advising the defendant of his/her rights for the purpose of allowing the defendant to enter a plea.

**Non-Jury Trial** - A bench trial before the judge (without a jury) at which the defendant contests the charges made against him/her. A witness must be sworn before a hearing may be counted as a non-jury trial. Introduction of exhibits and stipulation to the record are not sufficient criteria for counting a hearing as a non-jury trial.

**Jury Trial** - A trial before a jury at which the defendant contests the charges. A jury trial is counted once, when it starts. A jury trial has started when the following events have taken place: (1) the jury has been impaneled, (2) voir dire has occurred, and (3) the jury has been sworn and is ready to hear evidence. Jury trials are reported regardless of whether the jury eventually turns in a verdict.

**Stipulation to the Record** - A hearing before a judge at which the defendant maintains a plea of "not guilty," but stipulates to a reading of the record. Witnesses may be examined by the judge. A finding of guilt is normally entered based on the facts in record.

**Other Hearing on the Record** - Any hearing other than those above that meets the criteria for proceedings that must be electronically recorded where statute requires. Routine paper signing is excluded from this category.

## **Dispositions**

A disposition is the resolution of an issue that has been brought before the court. Each violation charged will have one disposition. This includes all dispositions within the year, regardless of when the charge was originally filed. Dispositions do not reflect outstanding warrants.

**Bail Forfeiture** - Charges for which the defendant has paid the penalty for the offense without an appearance in court by the offender or his/her lawyer.

**Guilty** - Charges for which the defendant has been found guilty of the offense.

**Not Guilty** - Charges for which the defendant has been found not guilty of the offense following an appearance before the court.

**Dismissed** - Charges for which the charge against the offender has been dismissed. This includes cases having successfully completed the probationary period resulting from deferred prosecution.

## **Reduced/Amended To A Lesser Charge**

DUI/Physical Control charges which are amended or reduced to other traffic misdemeanors. Activity subsequent to the reduction or amendment, including final disposition, is counted under Other Traffic Misdemeanors.

## **Deferred Prosecution/Diversion**

**Prosecution Deferred** - Those citations or complaints for which prosecution has been deferred, as in RCW 10.05 for a "probationary period" (for which conditions may have been set by the court). Diversion intervenes either prior to arraignment or prior to trial.

## **Appeals**

All misdemeanor cases that have been appealed to superior court. Appeals are counted by case rather than by charge.

## **Court Costs Recovered**

Reimbursement by a convicted defendant of certain court costs incurred by local government in the disposition of an offense. These costs may include public defense, sheriff's fees, criminal witness fees, criminal jury fees, and court interpreter fees. Reimbursements reflect the actual amount recovered.

## **Revenue**

Monies received during the year for fines, forfeitures, and penalties in connection with misdemeanors, regardless of when the original citations/complaints were filed or processed. This does not include transactions involving trust accounts, unless money that had been deposited in a trust account is forfeited to the court. (The 30 percent assessment implemented May 1, 1986 is not included.)

## **PSEA (Public Safety and Education Assessment)**

All monies received during the year that were based on the 30 percent state assessment. This includes assessments received from both infractions and criminal citations.

# **Domestic Violence/Antiharassment Protection**

## **Petitions Filed**

A petition for orders of temporary protection filed by a person seeking relief from an allegedly violent person, either related to or living with the petitioner. Antiharassment petitions included in this category began to be processed by district courts July 1, 1991.

## **Proceedings**

**Ex Parte Hearing** - A hearing concerning temporary orders at which either the respondent, the petitioner, or their representative is present. Includes hearings which modify temporary orders for protection.

**Full Order Hearing** - A hearing concerning full orders at which either the respondent, the petitioner, or their representative is present. Includes hearings which modify full orders for protection.

## **Dispositions**

**Full Orders Granted** - The petition for the full protection order is granted by the court.

**Denied/Dismissed** - Both temporary and full orders for protection were not granted by the court.

**Transferred to Superior Court** - Full order petitions must be transferred to superior court if one or more of these conditions exist: (1) if the superior court has exercised jurisdiction over a proceeding involving the parties, (2) child custody is involved, or (3) there is a request to exclude a party from a dwelling which both parties share.

## **Revenue**

Filing fees for petitions, receipts from copying costs, and other receipts associated with domestic violence protection orders. Antiharassment receipts are included in civil revenue.

# **Civil**

## **Filings**

All complaints or petitions filed by a private or corporate party against another private or corporate party requesting the enforcement or protection of a civil right, alleging civil damages, or calling for the redress or prevention of a wrong. Effective July 1, 1991 district court jurisdiction includes civil cases with damages to a maximum of \$25,000. Effective July 27, 1997 that limit increased to \$35,000. In addition, these filings include small claims judgments that have been transferred to the civil court. Effective June 11, 1998, municipal court jurisdiction expanded to include determination of issues in one type of civil matter-- impoundments authorized by agents of the municipality.

## **Trial Settings**

A setting is the establishment of a trial date and courtroom. Settings include all scheduling and rescheduling during the

calendar year, regardless of the date for which the trial is set.

**Non-Jury Trials Set** - Scheduling of bench trials before the judge (without a jury).

**Jury Trials Set** - The setting of any trial on a jury trial calendar.

## **Proceedings**

All hearings, bench trials, and jury trials held in open court are included in proceedings.

**Non-Jury Trial** - A bench trial before the judge (without a jury) to decide the facts of the original issues of the case. A witness must be sworn before a hearing may be counted as a non-jury trial.

**Jury Trial** - A trial before a jury. A jury trial is counted once, when it starts. A jury trial has started when the following events have taken place: (1) the jury has been impaneled, (2) voir dire has occurred, and (3) the jury has been sworn and is ready to hear evidence. Jury trials are reported regardless of whether or not the jury eventually turns in a verdict.

**Other Participatory Hearing** - A proceeding other than a trial in open court at which at least one of the parties to the case is present. Other participatory hearings include supplemental proceedings, 72-hour commitments for observation purposes, false alarm hearings, and vehicle impound hearings. Motions and reconsiderations argued in open court where one of the parties to the case is present are also counted.

## **Dispositions**

**Default Judgment** - An instance where the defendant has failed to contest the action or failed to appear in court, and the court has found for the plaintiff on a motion for a default judgment.

**Other Pre-Trial Disposition** - Instances in which the case has been disposed of by some judgment or manner other than a default judgment, without having proceeded to trial. Reasons for such dispositions include summary judgments, dismissals, agreed judgments, changes of venue, and cases that were filed improperly due to the residency of the defendant.

**Judgment/Disposition After Trial** - Cases that have been disposed after having proceeded to trial, even if the case was disposed without successful completion of the trial. The important differentiation between this disposition category and those preceding is that a trial was commenced. Disposition may include dismissals or stipulations as well as judgments.

## **Appeals**

All civil cases that have been appealed to the superior court.

## **Post-Judgement Writ**

A writ issued after judgment for the purpose of capturing funds. These include writs of garnishment, execution, and replevin.

## **Revenue**

All monies received during the year for payment of filing fees, fees for law library, writs, record searches, copying, and notarizing. Antiharassment filing fees are included in this category (effective July 1, 1991).

# **Small Claims**

## **Filings**

Civil cases limited to redress through damages not to exceed \$2,500, and where parties are not represented by attorneys.

## **Proceedings**

**Trial** - A trial in open court at which both parties to the action are present and contesting the matter and a witness is heard.

**Other Participatory Hearing** - A proceeding in open court, other than a trial, where one of the parties is present.

## Dispositions

**Default Judgment** - A judgment made when the defendant has failed to contest the action or failed to appear in court.

**Other Pretrial Disposition** - A case which has been disposed of by some judgment or manner, other than a default judgment, without having proceeded to trial. These dispositions include summary judgment, dismissal, agreed judgment, and transfers.

**Judgment/Disposition After Trial** - A case which has been disposed after having proceeded to trial. This classification is issued for dispositions even if the case was disposed of without successful completion of the trial. The important differentiation between this disposition category and those preceding is that a trial was commenced.

## Judgements Transferred To Civil Department

Judgments that are transferred for collection purposes. These are considered to be new filings in the civil section.

## Appeals To Superior Court

All small claims that have been appealed to the superior court. Appeal is possible only if the amount claimed was \$100 or more, and if the defendant did not make a cross-claim against the plaintiff.

## Revenue

All monies received during the year for payment of small claims filing fees and fees for record searches, copying, and notarizing.

# Felony

## Complaints

Complaints filed in a trial court that allege the commission of a criminal act punishable by a prison sentence. The jurisdiction of district courts is to provide a preliminary hearing; superior courts have jurisdiction for trying felony complaints. Each defendant is counted only once, regardless of the number of charges on the complaint.

## In-Custody Defendants

All persons arrested on probable cause or held for investigation and appearing before the court. These include all persons arrested on felony complaints and fugitive warrants alleging a felony.

## Proceedings

**Preliminary Appearance** - A hearing at which a defendant is informed of the nature of the charges. Bail may be determined at this hearing.

**Formal Charge Hearing** - A hearing at which the defendant is formally charged with a felony complaint. This hearing is sometimes called an arraignment, although the defendant cannot plead guilty to felony charges.

**Felony Preliminary Hearing** - A hearing in open court for the purpose of determining if there is sufficient cause to bind the defendant over for trial in superior court for the charges alleged. Witnesses may be required to attend, and evidence may be introduced.

**Other Participatory Hearing** - Any other hearing at which the defendant or an attorney representing either side is

present. This category includes additional hearings to reduce bail, to release the defendant on personal recognizance, or to continue a previous hearing in order to receive additional information.

## **Dispositions**

**Dismissed** - All charges against the defendant have been dismissed.

**Bound Over to Superior Court** - Sufficient cause has been found to bind the defendant over to be tried in superior court for any of the charges alleged.

**Reduced to Misdemeanor** - An instance in which all felony charges are dropped, but the defendant is still charged with a misdemeanor. The defendant may have entered a guilty plea to a lesser charge, a complaint may have been amended, or the case may have been refiled as a misdemeanor.

1 Dispositions do not reflect outstanding warrants. DUI dispositions -- like DUI charges -- include those for any secondary charge on a DUI citation.

2 Dismissals include cases in which the defendant has successfully completed the terms of deferred prosecution.
