Barbara Corey was she didn't Argue the Important facts of my case. She fought half heartly.

① She didn't Argue that the Arresting officer lied and there was No Proble Cause for him to Arrest me Deputy Papen orignally said on his 1st Document that Dect. lund give him the Proble Cause for my arrest. on the stand "which we already Knew" he said he took it upon his own initiative what he never said in his report he is friend with the lovelends. that is how he found out about all of this main victim rita freed talk to Vennassa Perry talk to Amanda fergusion talk to the lovelends called Deputy Papen it was hearsay he lied if he went through the Proper channels. like Dect. lund giveing him the Proble Cause Because he is the lead Dective and that would be fine the way he went about it wasn't even legal. and it all in the Discorery

② Barbara Covey Didn't Argue that the search warrent was not legal Dective Jane Mccarthy lied on the Proble Cause report to obtain the warrent. Everything on the Report was correct Except the Name from what I can tell is she wrote up the Proble Cause report 1st to search Ben harrison house "My co-Defendent" house and Car. and which they never search his house or car and instead of Doing a little more work she Just change the Name She Can't argue that she made a Mistake Because all the facts are correct in statment when the investigation 1st happen All the Evidence pointed to Ben harrison and Knowing pointed to Me Except. Rita freed.

saying I think I know who it was he is tall Dark and Mexican at the time no Evidence was on me. Everything that got me convicted was in My Car and house.

Ms. corey didn't argue and really Didn't try to Argue about My Statement in the 3.5 hearing and During trail. she Didn't let the Jury hear about why people confessing to crimes they didn't commit my sister went on the Computer and Printed them cases out she offer it to Ms. Corey who Didn't take them. Because she had already was ahead of her <u>My statement was the Most Damageing piece of Evendence and she didn't try to Counter it in anyway During the trail.</u>

③ also During the trail in her closing Argument I and My family also some of the Jury members Also believed she said I was Guilty not until I read the transcripts Did I understand what she truly ment. and said if I was a Jury member I would have found Me Guilty. the Defense counsil say Mr King is not Guilty of this but is Guilty of this Crime and Aslo Other statement as Mr. King was there pg 1307 line 8,9,10 when she said that the Jury Memebers look at each other like Did she Just say that. My family and Me Belive she said the same thing I in my opionen is very Damageing also she says if you Believe he Did this crime he not Guilty of this Crime but is Guilty of this crime look at pg 1308 line 16,17

* look at the tapes of the jury in Courtroom

④ Judge Fehelge was wrong in his Discision to Allowe My Statement he only focused on Did he sign his Miranda rights " A statement can satisfy Miranda but still be inadmissable 5, 14 Amendents to be voluntary a statement must be a Product of a rational intellect and free will state VS. Sabrina Mane Kendell " he didn't read or listen to the whole tape or statement →

continued pg 3.

here are the facts I was on Drugs

(1) in the Beggening of the statement "I say I am fucked up and tired" but they still countin interrgating me.

(2) Dective lund said he has no prior Knowledge or Experience with Some one coming Down from an Acid trip so he would not Know so him saying Mr King seemed alert and Normal Does not matter.

(3) Compare the tape to Anything recorded Phone calls, Recording of Me talking on the stand also my family video also can have me friends, family, co worker etc "who some of them listen to the tape" and said that is not Gary even Vennessa Perry the states wittiness states Gary is Extremly intelligent he does not talk his age he talks and a very unique way. any one who knows me will tell you the statement is not sound anything like Gary voice and vocabulary usage

(4) compare the statements of Everyone in this case.
