Dear Sir

On or about April 21, 2008 I requested Some Paper work from my Attorney Lisa Ellner and also requested From The Court of Appeals. See ATTCHed According to me finding out about my J&S of 1991 and According to the Laws of That time? I do not Have the RCW For my class B Felony But the Registration Laws For The Failure To Register is at most A Gross Misdemeanor.

AND According to Brady Violations Strickler v. Green This Court or the other Court has A Duty to Correct this wrong doing.

I Am Not an attorney, Just a layman at best when it Comes to Law.

Like I said I'm not Very Smart when it comes to Law.

Someone said, this becomes a Liberty issue. I just want this Wrong Corrected. I was Arrested Oct 26, 2007 and its Not even a matter of me being guilty or Not at this point. Kitsap County has a lot to answer for if you ask me? I dont want to sit in prison another DAY for Something I did ~~do~~ Not do in the First Place. Why is it if I Violate my J&S I get Prison No questions asked. KitSAP County Has Violated My J&S Twice and I have to pay for it.

In 2004 I did 31 days with no Good time in County of KitSAP 1 year Community Placement with all the Polygraphs, Fines and so on that the Court lacked Authority. I do Not wish to go through all this unnecesary legal work. Please Correct this Wrong doing and rule in my behalh.

Sincerely,

Robert L Arseneau

Dear Ms. Ellner:

I have received your letter dated March 7, 2008, in regards to how you are going to handle my appeal.

Below is a list of issues that I want to bring to your attention:

1. My original crime sentence was in 1992 for crimes originating from 1989 - 1991.
2. I took a plea bargain for all charging counts.
3. The laws of 1991 are suppose to govern me and my actions, as well as subsequent penalties imposed.
4. The laws of 1991 for a Class B Felony Failure To Register allow for only a gross-misdemeanor.
5. Also, points are not assigned or counted (NON RANKED FELONY) for a charge of Failure to Register.
6. There is a multitude of reasons to pursue a CrR 7.8 Motion, and/or a

Personal Restraint Petition, in light of these issues that I am notifying you of in this letter.

Please get back to me with your thoughts and ideas regarding these issues.

I look forward to hearing from you.

Sincerely,

Robert Arseneau
