STATE OF WASHINGTON Respondent, v. Howard Gutendorf (your name) Appellant.	))))))))))	No. 38723-9 STATEMENT OF ADDITIONAL GROUNDS FOR REVIEW

I, Howard Gutendorf, have received and reviewed the opening brief prepared by my attorney. Summarized below are the additional grounds for review that are not addressed in that brief. I understand the Court will review this Statement of Additional Grounds for Review when my appeal is considered on the merits.

Additional Ground 1

My attorney Mr. Barrar lied to me several times and once in open court. He told me (three wks prior to trial) that he would be in ~~order~~ several times prior to trial to prepare my defense. The only time I saw him was 2 days before trial w/a plea. I was unaware (and he never told me) that we could extend the trial date to prepare. How could I go to trial w/an unprepared attorney who dosn't tell me truth?

Additional Ground 2

I was coherced by Mr. Barrar by the things he said that were not truthful. Anything I signed was based on what he had told me and how hopeless he made me feel. Also, I rejected the plea before I was sentenced and befor the court accepted such plea. The judge was wrong for allowing this plea to be entered. I did nothing wrong to anyone in Wa. ever. I'm the victim in this case. A victim to legal manipulations of the laws that are suppose to protect our rights

If there are additional grounds, a brief summary is attached to this statement.
