St. v. Moen
COA #

SAG

I believe my Attorney provided ineffective counsel because of my drug induced state when taken off antibiotics I could function much better (4 days after new medication) when I Told him he said I was making up a story. also the Doctor requested a different time for trial agrivating judge and Prosicuter (phone call during trial on speaker phone Doc Stanulis asked for time for vacation) Judge refused ordered him to Court

I explained to Councelor my wife attacked me and finger prints would verify location next to Ax head

Allen Moen

I lack verbal skills and have vision problems due to gun shot
