STATEMENT OF ADDitional Grounds (SAG)

COURT OF APPEALS
DIVISION II
2017 AUG 25 AM 11:15
STATE OF WASHINGTON
BY DEPUTY

Division II

State of Washington NO: 49800-6-II

The reason I am requesting to the court to consider RCW 9.94A.589 is that the crime of (529) False impersonation of another person was committed in the state of Washington when the other 5 counts of I.D. Theift were committed. But I was extradited to California for the courts. Nov 7, 2015 I was Arrested for (10x) False impersonate of Another person. I signed extradition papers to Go to California Nov 9, 2015. Three Days Later Nov 12, 2015 I was interviewed by the Police And was told these 5 charges would be Forwarded to California Also. But they were not. March 2, 2016 I was placed own hold for the state of Washington to extradite me back. I was not under any Felony sentence at that time. I signed A motion For (Interstate Agreement own Detainers) Feb 2, 2016 And Also signed extradition papers in Frount of a California Judge to Be returned to Washington. But no action was ever taken they Let the time completely run out without responding. If the crime had accurred in Washington I would not Ask the court to consider it, But if I would have been given A Globel resoulotion For All counts the MAX sentence I could recieve would have been 84 months. But without the sentences run concurrently I am doing 100 months

without any enhancement. I am doing over the limit. I am requesting the court to please consider the RCW code to take off my 16 month sentence from California since it happened in Washington. I will still be doing the 84 month max sentence. I am requesting the court to remand back to superior court to resolve this manner.

Thank you for your time.
