STATE OF WASHINGTON Respondent, v. AZEL CHAVEZ, Appellant.	)))))))))	No. 33240-0-II STATEMENT OF ADDITIONAL GROUNDS FOR REVIEW

I, Azel Chavez, have received and reviewed the opening brief prepared by my attorney. Summarized below are the additional grounds for review that are not addressed in that brief. I understand the Court will review this Statement of Additional Grounds for Review when my appeal is considered on the merits.

Additional Ground 1

Drop Attempted Merrder Charges.

under the Model Penal code it States that a Substantial Step is lying in wait or following. I was not lying in wait or following or even attempting to follow. From where I live the direction I was going on october 30th 2005 is the only way off of the Peninsula and like I Said in Court, I was going to a friends house.

Additional Ground 2

Reduce my Sentince

My Sentince is unfair. I've been in jail for 13 month's now. I've learnd a lot, worked through my problems and I feel and am completly ready to start again.
I just think its unfair, this was my first and last offence And I dont even get a second chance.

If there are additional grounds, a brief summary is attached to this statement.
