Additional Grounds

Response

Charge I Child Molestation 2nd degree
CG Testafide she could Not Remember which breast I touched She also stated That she was going along with Becky my daughter This Ended In Impeachment.
Charge II Rape of A Child 1st degree
Charge III Rape of A child 2nd degree
Charge IV Rape of a Child 3rd degree
Charge V Child Molestation 1st degree
Charge VI Child Molestation 2nd degree
Charge VII Child Molestation 3rd degree
Charge VIII Incest
In the First Trial I was found Guilty of Charge VII
In the second Trial I was Found Not Guilt of Rape, Child Molestation, or Incest This make's ~~me~~ wonder what would have happened had I been granted a split of charges and been Tried seprately. They were desprate To convict me of any thing to cover up their own crimes but part of This is a civil case

How can I be Found Not Guilty of Incest and Guilty of Child molestion 3rd degree. Yes they were different trials But with the same case Number.

Charge IX Rape 3rd degree
charge X Child Molestion 3rd degree
These Charges were against SARAh Hunter.
SARAh gave No one but Two sworn statments to the Prosecutors office. Then the day after giving the second statement she changes her mind. I Think Not. C.P.S. called her when she arrived home Threatened her and She Changed her statment.

Did you Know Eric Peterson's wife was a supervisor For C.P.S. You Know the Prosecutor of the case. I would Get Prison time For Threating a Witness but I'm sure they have an Explanation.

Could you also ask For the evidence in this case. You say Were there any Flaws in the case. How many would you like. This is Not Justice If you lied so as to win or convince a Jury Then I guess this case would hold Merit

Thank You
