RE: *State of Washington v. Robert Heagy*;
Kitsap County Cause No. 04-1-01712-1
Appeal No. 34721-1-II

Dear Ms. Williams:

Enclosed is a letter that I received from Mr. Heagy on December 12, 2006, which may be his "Statement of Additional Grounds" for reversal of his conviction. It is my understanding that he believes he sent me something on or around December 5, 2006. Because in this letter he mentions "additional grounds," and a review of the file shows this is the only document werein "additional grounds" are mentioned, I am assuming this is what he is referring to.

Should you have any questions or if I can be of any further assistance, please do not hesitate to contact our office.

Sincerely,

STATEMENT OF ADDITIONAL GROUNDS FOR REVIEW

I, Robert Heagy, have received and reviewed the opening brief prepared by my attorney. Summarized below are the additional grounds for review that are not addressed in that brief. I understand the Court will review this Statement of Additional Grounds for Review when my appeal is considered on the merits.

Additional Ground 1

Post Judgement Rights (orders of Dismissal) (3 NO strikes) past Felonies. one C class Felony, Felonies (35 years ago) Class C Felony (24 years ago) (I am not a persistant offender) not enforcing a subpena to subpena Robert LaRue (my witnesses) to appear in 1st and 2nd trials. He was absent because of the state not bringing him to the Hearings to testify Perjury of Terae Denson, Ladonna Henderson, Ross (andre) Henderson. Impeachment. making up of many different stories by Terae Denson and Ladonna Henderson and Ross andre Henderson. Ross and Ladonna Henderson Co-ercing Terae Denson (Ladonna's Daughter) into saying I molested her (Terae Denson) which I never laid a hand on Terae Denson in any sexual manner. Court wouldn't let me have any witnesses in second trial 4/2006

Additional Ground 2

inconsistent testimony to witness Christie Colem from Ladonna Henderson. She told her (Ladonna Henderson) more than one story on Nov 3 2004 when Christie Coleman came to get me. I was going to leave 5418 Warner ave Bremerton, Calif. I needed to get back to middle Town Calif. for more medical treatment witnesses Cathey and Mike McCutchen middle Town Calif. sister + Brother in law I lived with at that time. The Hendersons Bill FROM OCT 25 2004 TO OCT 28 I Payed there Bill (4 Days at the Dunes motel) $240.00 The Hendersons Never Reported this to DSHS or section 8 Housing. I spent over $500.00 on the Hendersons. They never reported this to DSHS or Section 8 Housing. OR me living with them. Also they moved to 5418 Warner Bremerton Wa. on OCT 29 2004 - Section 8 Housing. That house and the house in Back of them were on one septic Tank. They never reported this to DSHS or Section 8. This is why they put me in prison.

If there are any additional grounds, a brief summary is attached to this statement.

Additional Grounds

When was this new Statute put into place, after 1972 & 1984?

Dismissal states, "...that the defendant is discharged from further attendance herein and is released from all penalties and disabilities resulting form the filing of said charge."

Also attached is a copy of the current RCW that controls vacation of criminal convictions, RCW 9.94A.640. This statute has similar wording to the statutes in place at the time Mr. Heagy had his Robbery charge vacated. The new statute does contain language that specifically indicates that vacated convictions cannot be used as apart of criminal history for the purposes of determining a sentence in a subsequent matter. The new statute also would not allow for the vacation of a conviction for the crime of Robbery.

Under the current law it is very clear that a vacated conviction cannot be used in determining a subsequent sentence. It is also clear that Robbery, defined as a crime of violence, could not be vacated. The language connected to Mr. Heagy's vacation of his Robbery conviction lacks the specific terminology regarding subsequent sentences, but is clear he is relieved of all penalties and disabilities attached to the to the conviction. The use of the prior conviction to count as a strike in a subsequent sentencing is a penalty or disability. It is important to note that the vacation law in 1978 pre-dated the Sentencing Reform Act(SRA) which provides the rules that determine what convictions can and cannot be used to determine subsequent sentences. Prior to the SRA sentencing was left to the discretion of the individual judges who could consider or ignore prior convictions as deemed appropriate. Such specific language regarding vacated sentences pre-SRA would not have been necessary

These felonies in 1973 and 1983 were 34 and 22 years old and the law then stated No Court Convictions after that Could Use either one of these Cases Robbery and attempted indecient liberties in another Court of Law. Attempted Indecent liberty was not a Violent crime because my niece supposedly was involved and participation in the attempted Indecent liberties but I never touched her in any sexual way. I met Ladonna Henderson at Domino's pizza in 2002 Bremerton on 6TH St. next to the AM/PM gas and grocery store. A lady friend of mine introduced us and Ladonna Henderson ask me if I had any methadone for sale, so I said well I take methadone for a disabiling Back, neck, knee and leg disability and I guess I could sell you a few. Do you have a disability and Ladonna Henderson right away, said yes because I wouldn't give her any unless she had some sort of Disability, that's what I also told my lady friend. (I had been getting methadone from the Va Hospital in La Jolla, Calif. for a Disability I was suffering (SSI) (and Labor & Industries) from 1971 the Viet Nam war and an industrial injury at WORK May 15 1987 a failed laminectomy & neck, leg & knee injuries suffered sense the 1971 Viet Nam war.

on Nov 3 2004. I was assaulted and Robbed of money $300.00 out of my wallet all my belongings, I brought up on the airplane from Sacramento Calif to sea-tac airport. all my medications - methadone - clonipin, sleeping pills, hypertension pills, Vitamins other meds about $300.00 worth of medications + vitamins that I needed to keep me alive and reduce my chronic pain level enough to function. also my Right Knee Brace, my TWO Cane, toiletries, clothes, shoes, expensive TWO leather belts one with Antique Silver Fireman impression and one pure Silver + Lather Belt. Ladonna + (Ross Real name) Henderson Co-erced me into pawning (with Ross Henderson going with me to pawn exchange.) my $1000.00 12 String Ibanez Guitar (new) for a lousy $50.00 Saying they'd pay me Back. The 1st of Dec. 2004. which they never did. So I lost my Guitar to the pawn shop for nothing. The reason I did not go get it the 1st of Dec 2004 myself was because they told me not to and when they got around to it they'd get it out for me and not to worry. I believe the Hendersons Planned this assault and Robbery of medications prescribed to me "methadone". ect. on Nov 3 2004 at 5418 Warner ave Bremerton, Wash. They Knew I was leaving that day on Nov 3 2004 Knew their House was illegal for Dots and section 8 Housing because of their House 5418 Warner ave Bremerton, Wash and the neighbors house behind them on the Same Septic Tank.

only Dontre age 6 is ladonna Hendersons only legitamat child as far as I know of sense I've met them. Terae Denson, I don't know Donavan's last name them Two are illigetament as far as what ladonna told me. also all ladonna's (men) I dont know who else she has married besides andre (Ross) Henderson but ladonna told me she has bought rifles & pistol for her men and drugs ect... and pipes ect. I know she was convicted of possessing marajuana so Isn't it a felony for ladonn Henderson to buy felon's guns & like Rifles & pistols? This is what she has told me I would take a lie Detetor Test on this and the supposit child molestation 1 of Terae Denson I (In Gods Name & in Jesus Christs name) I never ever Touched Terae Denson in any sexual manny ever

1) Then Terae says "I woke up and his hands were down my pants He was rubbing my legs and [illegible] another version by Terae Denson the [illegible] [illegible]
at Trial was I just put my hands (supposedly) down her pants in the rear woke up He was also rubbing my legs and hands another version was I later came into Bedroom again and petted the dog [illegible] an her chest then I rubbed her legs and arms not hands - version after version 1st & 2nd versions of this are two different stories.
"She's screaming because she wants her dog, I was trying to get her dog" I didn't say anything to the Hendersons (while andre Henderson was Robbing me and assaulting me and Ladonna went to use neighbors phone I wasn't even in the [illegible] was in the Front yard When She assaulted me their andre in the House assaulted me another version of the story by [illegible] [illegible] and rubbed her arms, legs and chest with no dog present this time." another version by Terae Denson also "I supposedly said" "She's screaming because she wants her dog, I was trying to get her dog" I never said that at any time [illegible] [illegible] [illegible] [illegible] and its another version after story and the Hendersons story. This whole story is made up by Terae Denson and the Hendersons. Terae must be [illegible] of Ladonna & andre Henderson Terae need a mental evaluation for making up stories to police officers and the Court. Why doesn't [illegible] get the real story by Terae Denson and the Hendersons look at the different version by all the Hendersons and Terae Denson don't [illegible] [illegible] [illegible] witnesses? I did not molest Terae Denson upstairs Down stairs in the Dunes motel at their other house

Notifing DSHS

Robert Heagy 11/11/05

They didn't want to get caught with me living there because of me living there without them Notifing Section 8

Terae Denson is a liar - she can't remember what happened now. The 1st trial she did and said I did it now in the second trial she can't remember. So thats the same thing as saying Robert Heagy never put his hand down Terae Denson and she's been coerced to say this by Ross Henderson and Ladonna Henderson. Can't you see this because I don't remember doing it because I don't

So she SAYS

Christy Coleman's testimony proves I never touched Terae Denson. I want to put a law suit against Terae Denson, Ladonna Henderson, Ross Henderson, Ladonna's mom and Dad, her sister and her brother. Who gave Ladonna Henderson Some marajuana cigarettes and Some white powder that looked like christal meth which her son said I can see white powder in a Baggie and marajuana in cigarette form and loose marajuana in a Bag. They (the Henderson lived with her sister and her (4) children before they went to the motel and before that he lived with their Dad (name unknown and he said that he took care of the Dog while they were moving around to different places to live for months instead of looking for a section 8 House

minHuwa wieny dog Baby girl

5 Pages

They have 60 Days To find a Section 8 House then IF they Can't find one they (DSHS 3 sections 8) give them another 60 Days but after that that take them off the Section 8 list. So I wonder If they (Section 8 DSHS 3) Found out That I was living there and the other House for over two months, giving them money for rent and Food approxamately in Oct 2006 $500.00 Dallors and $500.00 for food, rent, moneies. These people have been ling to DSHS 3 Section 8, employment Search and going to jobs that don't exist. Doing Drugs around their children. AND IN Nov or December 2004 in August

On Oct 30 2004 Christie Coleman came over in her Car looking for methadone at 5418 Warner Rd Bremerton, Wash at The Hendersons Section 8 & DSHS House (Ross Real name) Andre Henderson (I refused to give her any mainly because Andre & Ladonna Henderson was both stealing and using my methadone Clonipin and Sleeping pills and they ran me out of my methadone and Clonipin saying that $100.00 cash and methadone and Clonipin & Sleeping pills for payment of one months rent but they knew I was going to leave Nov 3 2006, Nothing makes sense anymore. The Hendersons were so high on drugs everyday I don't see how they could even take care of their children The children Donvan 17 yrs old now and Teresa Denson 13 yr old know that Ladonna & (Ross Real name) Andre Henderson Smoke Marajuana and use methadone, Chrystal, what ever they can get their hands on. Any way Andre Henderson offered to take Christie Coleman over to some womans house to look for methadone. So Christie Coleman and Andre Henderson took off in Christies Car (with Christy Coleman's) 2 year old daughter in the Car (Jackie Lea) with them looking for illegal Drugs I did not go with them. If they did get some illegal Drugs (methadone and or what ever what would have happened to the two year old. Christie Coleman wasn't thinking Andre Henderson didn't give a shit as long as he could get some free Drugs.

was scared to sleep upstair again Same as 2ND trial Terae Denson
Slept upstairs - lies, inconsistent + making up stories Q 1st trial

(A) I woke up when he went to the bath room after that I heard
screams Q 2ND trial 2006 Q Prior to that night was terae left alone
in a Bedroom (A) no - Nov 3 2006 was the first night That I
Can remember that Terae Slept down stairs. She's a liar. Q
1st trial page 179 Q What did you do next (A) I pulled the Blanket
off him and he was in his underwear (A) Boxers it shirt - Terae

in Andres testimony and Terae in 1st and 3rd
(2) Trials Terae said mom went to neighbors when
Ladoma came out the Bedroom with ~~Terae~~ Andre again Ladoma
is a liar, inconsistent testimony, and has a different Story
than Tera Denson. Ladoma assaulted me outside She
Says this in another testimony Somewhere when I
~~Found it I'll write it down~~ Q What were you yelling
1st trial That I'll Kill him in Front of the Kids

live about like 10 feet from their Back Door
not any farther So again Ladoma is lying
Why I do not know go to house and Find
out that I am telling the truth not Ladoma
About this whole mess. (A) Andre was beating his
butt out on the porch out in the yard - This never
happened ~~to~~ Andres assault was all in the house
because he was to ~~[illegible]~~ chicken ~~out~~ to Come out
side with ~~me~~ after he assaulted me. I am none violent

11-22-05 Robert Reeves

(5) Different Story She Tells to Shupay Kim. The 2nd trial in 2006 and to everyone else ~~[illegible]~~ envolved in this Court Bearing everyone. Q what did she tell you Generally?

(A) Generally she said that he "I know he thought I was asleep, but I knew what he was trying to do and so I pretended to be asleep, but I ~~[illegible]~~ knew what he was trying to do and so I pretended I was asleep." and then he came in and touched her and she told him --- He said he was cold, that was it, and so she said "Well, here's my Cam Forter. Now get out and he didnt and I believe he came back and ask if he could sleep with her or be with her whatever, and she said "NO, I gave you that blanket now get out of here. She was trying to divert his attention so she could get away from him. - She's is ling again. Q page 159 Basically he came back and felt her legs, her back, and her chest. Terae never said in different testimony to everyone who questioned her Hill Herron Ladonn, Andre, the Judge Sally Olson, MS Mont Gomery The Jury that I felt her Back and no hands like she said in another testimony - Read the Ver Cetum First and Second trials, and the initial disclosure was that when she woke up, he put his hand down her pants? (A) right + WELL What happened in earlier testimony and all other testimonies that she was pretending to be asleep and again was it hand or hands - whichever suits Terae Denson in her testimonies shill say one time hand then ~~[illegible]~~ in another testimony shill say HANDS. Q Then he came back (A) Then he came back. Q and touched her again. In other testimonies Terae Denson said I never touched her the second time to MS ~~Mont Gomery~~ Mont Gomery and Judge Sally Olson like I said During the [illegible] Judge Sally Olson, the Jury and MS Mont Gomery

(4) were predecise towards me and Bias, they plain wanted me in prison whether I was guilty or not. page 221 SHupay did not know whether he touched her genitalia or not
Q you don't know whether he did or not. In the 2nd trial
(A) I don't SHupay also never taped any of this I wished she would have.
(A) page 142 (A) she was scared to death she wasn't crying just very shy, very quiet.
Q did she indicate He said anything to her?
(A) yes. he instructed her not to say anything to her mother. or asked her not to say anything to her mother (A) this childs ability to articulate exactly what happened in a very straight forward manner. ~~[illegible]~~? Terae must be quite a story making what do you expect she's got a lying story making mother and father.
(A) There was no actual touching of the genital area Terae Denson said to Ladonna & andre Henderson in her statements to the Courts Jury Judge ect. that when I put my hand or hands down Terae (the Back of he pants) and went by her vagina and was touching her vagina (the outside) with my finger - She a liar, she inconsistent and she is making another story up, period.
Cross examination By MR. murphy page 224 2nd trial page Q you testified that she (Terae Denson) told him to go get her Dog - in terae's testimony to everyone else ~~[illegible]~~ Ladonna & andre Henderson is that before I even went into the room I got the dog cause it was whining and I woke up to that and my back hurten really Bad

(5) 1st trial and 2nd trial 2005 - 2006
Shupay Cross by Mr. Murphy

Shupay took notes on what happened that morning of Nov 3 2006. Q and he never actually left the room, he stood in the door correct? now Shupay is a liar. Terae told her I went and got the dog then I brought the dog to her after she (Terae told me to go get the dog in earlier testimony and to all the other witnesses even Judge Scally also. (A) In first trial Shupay says he stood by the door that Terae said that Q did he get the dog. (A) I think he stood by the door. In the examination by Shupay (Q) page 169 1st trial 2006 at that point, she pretended to go to sleep (on his Return from the doorway he asks to sleep with he correct Q He was Blocking the door he never really fully left the area? (A) That's my impression - Terae's other testimony to Ladonna and André was that I was lying I the floor blocking the door. Why didn't she go out the door then? I wasn't ~~to~~ Blocking any door by lying on the floor? Q He Came back without the dog correct? (A) Um, its my understanding that there was no dog in the Room Q page 225 2nd trial 2006 Q She told you he touched her parts (~~the~~ didn't say when or which time) of her body, her arms and legs? (A) Um-hum other testimony she says (Terae) he touched her Breasts, her, Back and her hands ect. She is a liar again different testimony, inconsistead testimony from other testimony and what she originally told Ladonna & André Henderson page 225 2nd trial - and that she (Terae) ordered him

To leave the room - again this is the first ~~Tim~~
(6) Tim Terae Denson says that to any of the
people in Court or ~~for~~ ladonna and to Andre
Henderson Q AND when she left the Bedroom
she went out and laid down in the living room.
(A) When she left Q yes (A) yes. She (Terae told
everyone in Court that - she didn't lay down in
the living room - she said (Terae) that she ran out
of the room onto the mattres in the living Room
where Dante was sleeping and stood on the
Bed screaming and crying for ladonna who was
in her Bedroom. She again is a liar to stupay
making up stories again inconsistent, Q and you
didn't locate any Trauma? (A) no, I did not.
Then IF I stuck my hand or hands (which would
be worse) Because of Terae real tight ~~fitting~~
Fitting jeans on (which I will demonstrate
in next trial) my hands were way to big
to put Down terae Denson Back side then
go in Front under her pants and panties
that terae testified I did? Lie Dector on Tera
Denson, Me, ladonna and andre Henderson and
Christy Coleman and Robert LaRal. PLEASE
They should have found (I take a DNA test at Kitsap
County Jail so as to prove my innocence) when
I went to the bathroom ~~[illegible]~~ earlier before I
went to bed I went pee and ~~[illegible]~~ a shit. I did
not wash my hands (I usually do but I was to
tired to wash my hands) Plus my nose was raining
I had a Cold. Blew my nose a couple times This
was on my hands, and some shit and pee was on
my hand and I have real oily skin + dandruff and Psisis in
MY SCALP really Bad why didn't they find any DNA? I am I

Q She him to get out of the room? (A) yes
in any of Teraes Testimony from all the witness
and to the jury and Judge Sally olson
and ms mortcomery and mr murphy
Teral Did not Say Get out of the room - Read the
Verbatum 2004 and 2005 1st and 2nd
trial Q She left the room and went to lay down
on the bed inside the living room, correct?
(A) Yes - again ~~[illegible]~~ Teral Denson in other
Testany from ~~[illegible]~~ 2nd trial that she Said
that She ran from the room and stood on
the bed in the living room where Dantre was
Sleeping and Starting Screaming, Thats what She
SAID in other testimony and to ladonna & andre
and the Courts & Jury - now Sifu pay is
lying - Teraa is a liar This never happen in any
of Teraes testimony - Read the Verbatum.
(A) Can I add one thing? When she went out, She
left the room, She went into her brothers sleeping area
and crawled into bed with him, and the She Said
" I just couldnt Stand it," and she stood up and
Started screaming - She a liar, inconsistent
making up another story - different story again
to another witness, She also never Said that to any other
witnesses - Count Judge eat, Teral Said to everyone
else that she Ran out of the room stood on the
bed then Started Screaming. She a liar, inconsistent
with her testimony and is making up yet another story
to lie with Robert Hagy 12-1-04

(8) 1st trial 2005 2nd trial 2006 INSlee Forensic DNA Scientist in the DNA unit at Harrison Hospital

Q page 231 2nd trial Q IF I were to touch Someone, like a table or handle am I always going to leave a DNA behin? (A) a small amount Q 1st trial page 179 Q what if any Thing did you Find? (A) one one side of the blanket there was just one small area that fluoresced so I tested the one area for AP and had negative results. on other side Several are that Fluoresced ~~and the entire side of Blanket~~. for AP. all the tests were negative Q so in other words, ~~There was no Semen on that Blanket~~ (A) There was no Semen on that Blanket IF it had been recently deposited, it would have Fluoresced and I would have tested that and it would have tested positive for AP DID you test Blanket with hearts BDIt-0102? (A) yes (A) with hearts on it and all those tests were negative - She tested all 3 Blankets for Sperm, hair, Saliva Anything that (if I did get on in the cars with Terrel) the forensic Scientist (Inslee) would have my DNA on the 3 Blanket But all Three tested negative with all the tests in Slee did on the 3 Blankets - Vaginal Secretions, Semen Vagina fluids - all Negative Q IF you had found sperm or or Semen, would you have then gone and Further and done DNA testing (A) yes I would have all tests for my DNA were negative in 1st trial and 2nd trial

By ~~[illegible]~~ Mr. Murphy

Q What do you remember? (A) I remember her telling me She told me several different stories, couple of different stories about what had happened. She never actually said the real truth, because I have no idea what that was 1st She told me it happened upstairs and her daughter threw a blanket over his head and got away from him. I just remember bits and pieces, that's all. Q okay (A) and then the next story She told me that it happened down -- in the downstairs, in the room next to hers, so -- page 284 Q Do you remember when you spoke with my investigator, Mr. Paulousky, down in Ocean Shores? (A) yes

1st trial 2005 Cross examination by Ms Montgomery

Q page 292 Q and did he tell you about what happened? (A) he said he didn't know she was in there Q and in that situation, Terae threw a blanket on Mr. Heagy and ran away from him, you do remember that's what Ladonna told you? (A) yes — I need Christy Coleman + Robert LaRue as witnesses. Why the Courts wouldn't let Robert LaRue testify, when he was there Having Ladonna Henderson telling him all those made up stories I don't know in 1st & 2nd trial.

Direct examination By Ms Montgomery
1st and 2nd trial 2005 - 2006
Ishu Ray - Terae's Testimony -
Page 220 Q what did she (Terae Denson)
Say? A She described a scenario, where she was asleep and a person named Bob came into her room and was feeling her body, near her underwear. and she described to me that she thought that he though that she was asleep, but she wasn't Finally she rolled over and told him to go get her dog as a distraction. She was hoping he would go get the dog and she would run out of the room, and he I guess stood by the doorway and she felt sort of Trapped, but very she described this in a way that she knew exactully what was going on. She was afraid what might be going on and she wanted to get out.
Here is typically another Version Terae Denson is Telling to someone else involved in this Court trial. This again is another different story terae Tells I went into her room + was feeling her body, near her underwhere. 1st trial terae Says To the Jury ms mont Gomery, mr Murphy Judge Sally olsan and me that when I came at first in the Room I put my hand or Hands down her Pants Towards her Vagina (Quote when I woke up she also told this to deputy Hill & Herron and Ladonna Landre Hindeen - She is a liar, story maker and again makes up another story - Impeachment She is purging herself again in Court and at Harrison Hospital. (A) and she described

(A) To me that She thought She ~~was~~ that he thought that she was asleep. but she wasn't.

(Q) Finally She rolled over and told him to go get the dog, as a distraction. I had brought the dog with me because the dog was whining and I was tired of it whining that and chronic pain woke me up READ The Verbatum 1st and 2nd trial? another Version of the story Now how money does that make? She is a convulsive liar just like her mom and Dad this is how she learned to lie and this is why mom & andre coerced her into making up stories to people. So that They could stay on DSHS & Section 8 housing because andre and lodonna was also lying to them about me staying there giving them money & drug and the septic tank and me leaving ~~that~~ later

that Day of Nov 3 2006 (A) She said he touched her near her underwear this time and her legs and her back and her chest what happened to her hand She never mentioned this to the Same Nurse also first she said under her under wear and the Second Time I came in NOT the 1st TIME and that I was petting the dog and her Breasts the Second Time - She a liar. (A) she did not say that She he touched her genitalia

1st trial 2006 page 158 Q what did she tell you?

(A) as I recall She was in Bed told me Bob came in her room (She slept up stairs it was not Teral Bedroom it was Dante's Bedroom) She told me that Bob came into her room and attempted to touch her - another different story by Teral Benson - inconsistent shes a liar and another (Story Made up) Robert Heggy 4/1/8/2006 Robert Heggy 4/1/06

Q Terae Denson told officers Hill & Herron different times and the Courts) That one time hand then another Hands She is confusing herself on which Story she has made up to everyone including the Courts Cannidat Judge Sally olson and the Jury Hear this and see this false testimony? Hill or Herron never took inventory or brought my Stiff to the jail why not they are now a part of the Andersen's Crimes. page 7 2nd trial 2006 Q That the first person to speak anything was mr. Heagy from his bed saying he hadn't done anything, or I am sorry, I believe the Comment was "She Screamed because she want her dog. "I was trying to get her dog - In other testimony from Terae Denson in the Verbatum she states that I first brought the dog into her Bedroom before I did anything no one said I Spoke to anyone while I was in ~~Terae~~ Dantes Bedroom with terae being in the Road the Verbatum. I never Spoke a word while I was in the House that morning of Nov 3 2004 in no testimony does it Say I did. Q and then you talked to andre and ladonna about what Terae had told them, Correct? Yes Q and she said originally that "I woke up with his hands down my pants (A) That's a physically impossible plus which Story do you believe Terae told everyone was it hand or hands - Why didn't the Courts, My ~~Cannidat mr Murphy~~, MS Mont Gomery, The Jury or MS Judge Sally olson See this in the testimony of Terae Denson. Mr Murphy tried to tell the

Courts, ms mont Gomery, Hill & Herron, and
the Jury and Judge Sally Olson this
(2) but everyone was so prejudice and
Bias Towards me (all of Them enveloped
with the Terae Denson and Henderson Trial)
and no witnesses in the 2nd trial no wonder
I lost the trial. Most of Terae Denson testimony
is false unconsistent, she's a Bad liar and
says different stories and no one in the
Court Room picks up on that but me and My
Council Mr. Jacob P Murphy. Q and at that
point she woke to ~~having a hand~~ down her pants
(A) Correct page 74 2nd Trial 2004 yet Just Seven Sentences
ago Terae Says She woke up with his hands
Plural NOT SINGULAR Two different
Stories Seven Sentences apart - Don't anyone
See this in Court. Q page 75 2nd trial
Q and Ladonna admitted to -- after Finding this out,
She admitted to Slapping Mr. Heagy. In earlier
testimony and also Hills testimony both Herron
and Hill Said that Ladonna Said and Ladonna
and Andre Henderson (NOT Terrae Denson)
that Ladonna attacked me NOT Slapped me.
Redirect examination by ms mont Gomery 2nd

Q Do you recall what she (Terae) was wearing that night? (A) I didn't put it in my report. I can't remember what she (Terae Denson) was wearing! Hill didn't put it in his report And didn't remember and this is the type of police officers that roam around Bremerton not putting Important things in their reports? Q She (Terae) never told you Mr Heagy told her not to tell anyone correct? (A) She (Terae Denson) never mentioned it. So the Courts had me believing that (and in the attorney generals letter that I wrote That to Terae never told officer Hill I said not Tell her mother! Both Ladonna, Andre Henderson & Terae Denson all told the Courts This is WHAT I said. Lies lies - inconsistent testimony, and now different stories from the police, I don't remember this anyway. See Now I was coerced in to saying by Ladonna and Andre and Terae that I said that when I don't remember saying that at all Q and after you Mirandized Mr Heagy you Spoke with him (A) yes - Hill said earlier alls I Said was I didn't Say any thing after I Said to him "I didn't Do Anything" Different story again by officer Hill this time. page 110 So how Can Hill Said he told me the Miranda Rights - Its easy for him to now Say he maradasized me them Rights when in fact he did not at any time of that night in the police car of out of the police Car. Q you didn't pick up medication or any thing else like that correct (A) Not that I can remember. So hill admits to knowing I had medication (I told him that and about (4) other Caps inside the jail when I got There - Hill never brought any of my belonging - or medicine or Jewerly - I told him in the jail I had Some Expensive

Things in the House and called he go back and get them.
my memory is coming back after reading Both
Verbatum word for word all of Them in possession
(2) Eric Fong sent me, again I told the Caps
in Jail + Hill that I think I need medical attention
no one listened to me at all in the jail until about
two weeks later when I felt good enough To see the Doctor
and wasn't tired all the time which is a Sign of
a Concussion Q It's possible it could have been from the
assault? (A) Hill Could have been - Then why didn't they
seek medical attention for me? yet my back Was
hurting because Andre assented me and Ladonna and
aggraved (and both knee's, now need Total replacement
and Back In getting medical attention for
Sometimes it takes a Couple of years before you
find things (orthopedically) that require medication
attention so I want the Hendersons and
the State + police to pay for my injuries!
Hill also Cant remember his own Testimony in
first trial Conviently like the Hendersons.
Q as part of your report, you never asked him about
if he wanted aid? (A) If I didn't put it in there
no, Now officer Hill is admitting he never ask me
for aid. Q Hill Redirect by Mr Montgomery
Page 114 2nd trial 2006 When Mr Heagy was in

with Mr. Heagy (A) First of all they wouldn't have fit
Q Why not (A) I have just a patrol Car. There was a
lot of items out there I figured they can get it later
Who can get it later? Q is that Standard procedure?

considering the level of discretion allowed judges at the time.

Considering the 1978 vacation statute in the light most favorable to the State, it is at best ambiguous as to whether a vacated conviction can be used to determine a subsequent sentence. The current law regarding vacation does not address whether prior vacated convictions that would not be able to be vacated under current law can be used to determine any subsequent sentence. In regards to this issue, the current law is also, at best, ambiguous. When a statute is ambiguous the rule of lenity provides that the statute be interpreted in the light most favorable to the defendant. *State v. Henderson,* 48 Wash.App. 543, 740 P.2d 329 (1987).

What about 1977 1983 was way Before The Crime Found Robert Heagy 11-24-06

Mr. Heagy vacated his prior Robbery conviction under a statute that is ambiguous as to whether it could ever be used to determine a subsequent sentence. The current version of the SRA is ambiguous as to whether a prior conviction that was vacated, where such offense is not eligible for vacation under the current law, can be used to determine a subsequent sentence. As both statutes are ambiguous the must be interpreted in the light most favorable to Mr. Heagy. In the instant case, the most favorable interpretation is that his prior Robbery conviction does not count as a prior "strike." This would result in the make Mr. Heagy subject to a sentence within the standard range for Child Molestation in the First Degree, with an offender score of "0," the operative range being 51-68 months.

If found innocent I'm free which I am Innocent

from today 11-24-06 I would have 24 months left with good Time which The judge said I Could have. If The appeal Court finds me guilty of this crime I should get 51 months with good Time added to that Robert Heagy 11-24-06
