CLERK OF COURT OF APPEALS DIV II
STATE OF WASHINGTON

① Mr. Dan DeWaelsche states in polygraph's prior to Dec 17, 2009 that I James V. Collins have not been deceptive nor failed any polygraphs prior to this one of Dec 17, 2009. As well as these allegation's from Shauna has made towards me. ("Contact with minors, video sex tape, 3 ways, pornography, Sex with her while she's asleep.") Would have come up prior to this polygraph of Dec 17th 2009. Reference pages 70-71 Line's 15 through 7.

② Mr. Dan DeWaelsche terminated me for failing polygraph's on Dec 17, 2009 and January 27, 2010. On page 45 Line 7-21 was asked "If you felt later that was not true would that change you position?" His answer was "I would look at that, yes."

3. Mr. Dan DeWaelsche conferms that not all polygraph's are true. page 70 line 2-14. As Mr Vincent Ledogy has also stated that he as well has had patients who have told the truth but have failed the polygraph page 99 Lines 9-16.

4. Shauna has made allegations that supposedly I have taken photographs of her nude as well as some sex video. In November 2009. as well as previous other polygraphs I passed concerning anything with pornography.

5. Concerning the polygraph from November 2009, I was also asked questions of "being around or having contact with minors," also "If I have been hiding anything from my therapy group or CCO." as well have I been honest in group." I have passed all those polygraphs.

6 The polygraph that was taken on Dec 17, 2009 which was concerning stalking Shauna on the 6th of Dec 2009. Which I denied. Shauna in testiomony even states that was not a correct date all in cross examination. Then she goes into futher detail how I never even said

continued on page 3.

6 (cont) anything to her on the first of Dec. Reference page 31 Line 12 through Line 23 and page 36 Line 1-9.

7. Shauna stated to my CCO Mike Cheney in cross examination on page 90 Line 13 that I have been supposedly been stalking Shauna since June of 2009. When in Cross Examination of Shauna Gibbs on page 29 Lines 14 & 15. Shauna admits to us going out to even dinners.

8. On page 84 Line 12 through page 85 Line 7. Shauna calls my CCO and says that I was following her when I was working on the roof sign of my motel. My CCO even confirms that I was working on this date.

9. On page 11 of the transcripts. Mr Odell the prosecutor ask Shauna Gibbs on Line 14. "Did Mr Collins ever contact you from the motel?" her reply "I believe he tried to contact me." The problem is after November mid month of 2009 her phone was turned off because I did not continue to pay her bill as well as her last known phone

cont page 4

9 cont. that I knew of was a 253 prefix my motel was 360 prefix. Not only can you not make long distance calls, but my motel room phone didn't work, but there was also none of Shauna's phone bills to support her allegations.

10. Mr Odell in Cross Examination of Vincent Gollogy on page 119 Line 25 was asking Mr Gollogy about motel phone number of 360. 829.2400. But Mr Odell not understanding our phone bill was trying to get Mr Gollogy to say yes there is a call from that number to 253.266.7364. Which in Direct Examination of mr James Collins from Mr Winskill page 126 Line 10 through page 129 Line 10 explains the bill and I state that those calls are from my cell phone to the motel/apartment where I was residing at.

Mr Odell on page 130 Line 11 objected to the admission of my half of the phone bills of Shauna and my cell phone's. Mr odell was allowed to use the bill when it came to Mr Gollogy but once I disproved what he was trying to do ~~then~~ as well as use it as

cont page 5

#10 cont of no stocking between Shauna and I but mutual Contact then he argued that it shouldn't be allowed into evidence. page 130 Line 32 through 90.

11 Shannon Gibbs in testimony on page 48 Line 16 states that I kept her daughter Shauna over medicated when I lived with her and Shauna's father for 2½ years. Shauna's father was home all of the time as well as Shauna. Neither one had a job. Shannon was home by 1:00 p.m everyday. I owed and worked in my own business. We moved in with them so they all could keep an eye on each other as well as I could help out financially and physically around the property. I never over medicated Shauna as accused. Shauna would go to the doctors office and get her own prescriptions.

12. On page 8 Line 13. Shauna admits to her and I discussing my SSOSA. In which at other testimony she say's I denied my crime.

13. On page 11 Line 9. Shauna states that my other work van and some other things is still there at her parents house where her mother Shannon Gibbs say's that I don't have anything left there.

Final Statement:

I have been accused by Shauna and her mother of several things. Everything from ruining her credit, to her attempting suicide as well as the abortion of our baby. In November 2009 I split up with Shauna again for a final time as well as refused to give her anymore money or pay for anything else for her. I started being accused of different things after I called her father the morning of the 7th of Dec 2009 concerning the possibility of getting the rest of my stuff.

I am allowed to get back into court. I would like to supponea phone records, treatment records As well as witness and other evidence into court disproving these allegations and proving I have been what I am supposed to have been doing according to my SSOSA program. As well as correct my Judgement and Sentencing to be what the plea bargin was in 2006. to 10 yrs probation not life!
