No. 102770-2
IN THE SUPREME COURT
OF THE STATE OF WASHINGTON

IN THE MATTER OF:

C DAVIS Pro Se, Appellant,

vs.

City of Aberdeen, Respondents,

NO. 578344 - II

**MOTION FOR EXTENTION OF
TIME TO FILE APPELLANT'S
PETITION FOR REVIEW**

I. IDENTITY OF MOVING PARTY

This motion is presented by appellant, C DAVIS, PRO SE.

II. STATEMENT OF RELIEF SOUGHT

Pursuant to RAP 1.2 and RAP 18.8, Appellant C DAVIS
moves the Court for an extension of time to file Appellant's Petition for
Review.

III. GROUNDS FOR RELIEF SOUGHT

Respondent seeks an extension of time to March 15st, 2024 to file Petition For Review.

Appellant filed the Petition For Review on March 11th, 2024, but it was over the required word limit. With the ind help of the clerk of the court it was informed of the pertinent rules for the petition length.

Appellant appreciated the information provided by the clerk. As a Pro Se it is often hard to help all of the rules and how to apply them.

As a Pro Se appellant does not have the advantage of a Harvard Law School education, as such brief writing may take longer than an attorney.

Appellant's original brief was 7800+ world, in order to have proper citation on matters retentive to his case. The COA comment that citation was inadequate and appellant wanted to insure that didn't happen again.

Appellant worked diligently to preserve the salient points while reducing more than a third of the world. This was an extremely difficult task. But is now complete. Appellant hopes that the court understands the challenges faced by Pro Se'.

IV. CONCLUSION

It is for these reasons, the Court should grant a four (4) day extension of time to file Appellant's Petition for Review until

March 15th, 2024.
