Dear David Ponzoka.

During my trial the courts had questioned Mrs. Haggren the mother of C.C. the victim what she did when she first found out what I supposedly did "she said she kept driving to her friends house" that was without the jury. then when the jury was there she was asked the same question she said "she pulled over at a place and got out and called her Boyfriend. She changed her story twice and no one did anything about it. I feel that is not fair to me

Please Help me?
I did not do it!
