STATEMENT OF ADDITIONAL
GROUNDS FOR REVIEW

I, Lyzette Vargas, have received and reviewed the opening brief prepared by my attorney. Summarized below are the additional grounds for review that are not addressed in that brief. I understand the Court will review this Statement of Additional Grounds for Review when my appeal is considered on the merits.

Additional Ground 1

The Global plea bargain wasn't really a resolution especially when the state is well aware that the plaintiff was recanting and was being pressured by the state.

Additional Ground 2

I did cooperate with the state with their task and giving them information and still recieved 86 months. I thought it would be life changing experience for me but instead it was life threatening.

Ground #3

There is an active investigation going on for ineffective assistance of council of a grievance against lawyer Ms. Shelly Ajax with regarding two of these cases. Sending proof of inquiries.

If there are additional grounds, a brief summary is attached to this statement.
