COURT OF APPEALS
DIVISION II

BY MAJORITY
DEPUTY

I, Darrel Harris, have received and reviewed the opening brief prepared by my attorney. Summarized below are the additional grounds for review that are not addressed in that brief. I understand the Court will review this Statement of Additional Grounds for Review when my appeal is considered on the merits.

Additional Ground 1

During direct testimony KM denied taking JJ's new bike I had purchased for her birthday saying she wanted nothing I had provided. Video had captured her taking above said bike as the first item of her moving. My attorney failed to object, again, to enter video proving her lies

Additional Ground 2

Prosecuting attorney last photo's we provided and questioned me, "why I did not present other pictures that were taken" or which was not in evidence because of their error
RP 696-98 or questioning me on stuff that is not in evidence

If there are additional grounds, a brief summary is attached to this statement.

Case # ~~474478-II~~
474778-II

The Honorable Vicki Hogan, Judge did not allow a fair trial, by sustaining all of prosecuting attorney's requests, while denying all of defense's requests, including evidence.

Originally Honorable Vicki Hogan denied video surveillance for lack of sound, then covered her erroneous mistake the next day and continued to deny surveillance.

Surveillance is constantly used to prosecute with out sound.
