I. IDENTITY OF MOVING PARTY

Appellant Gabriel Morales requests the relief stated in part II.

II. STATEMENT OF RELIEF SOUGHT

Under RAP 9.6, any party may supplement the designation of clerk's papers and exhibits prior to or with the filing of the party's last brief. Thereafter, a party may supplement the designation only by order of the appellate court, upon motion. The briefs have already been filed in this case and this Court has issued a decision. Mr. Morales therefore respectfully requests this Court allow him to file a supplemental designation so he may refer to two exhibits that were filed as part of the CrR 3.6 hearing in his pro

se petition for review.

III. FACTS RELEVANT TO MOTION AND GROUNDS FOR RELIEF

On May 29, 2019, this Court issued a decision affirming Mr. Morales convictions. Thereafter, I informed Mr. Morales I would not be seeking further review on his behalf. He wishes to seek further review on his own. The Supreme Court has granted him an extension of time until June 17, to file his pro se petition for review. Mr. Morales would like to be able to refer to the two exhibits admitted at the CrR 3.6 hearing in his pro se petition for review. He is therefore seeking leave from this Court pursuant to RAP 9.6 and in the interest of justice to file the supplemental designation. RAP 1.2(a).

IV. CONCLUSION

Mr. Morales respectfully requests this Court grant him leave to file the supplemental designation that is being filed contemporaneously with this motion.

DATED this 9th day of July, 2019.
