# Courts of Limited Jurisdiction Highlights

## REPORTING IN 2003

- Caseload trends presented in this and all future publications may be affected by individual courts choosing to continue, discontinue, or resume their use of JIS for management of particular portions of their caseload (most commonly, parking).
- Since 2002, courts that handled felony complaints unified their data-entry practices to achieve statewide comparability. 2003 and future felony counts are not comparable to those for prior years

## SUMMARY

- In 2003, the Courts of Limited Jurisdiction in Washington State experienced a slight increase in activity compared to 2002, with the following highlighted changes to non-parking activity:
    - a 1.2% increase in the number of cases filed;
    - an 11.2% increase in contested proceedings; and
    - a 2.1% increase in the number of dispositions.
- 

## FILINGS

- Similar to 2002, there were over 2 million cases filed in Washington's courts of limited jurisdiction during calendar year 2003.
  - Parking infractions, which are generally handled administratively, contributed just over 575,000 case filings to the total. The nearly 1.5 million remaining cases represent the core judicial caseload filings for the year.
  - Traffic infraction cases, at 999,530 filings, made up the largest portion (66.8%) of the non-parking filings, followed by non-traffic misdemeanor cases (9.1%), other traffic misdemeanor cases (8.6%), civil cases (6.9%), DUI/physical control cases (2.9%), non-traffic infraction cases (2.9%), small claims cases (1.6%), petitions for protection orders related to domestic violence and anti-harassment (0.8%), and felony complaints (0.2%).
- 

## DISPOSITIONS

- Dispositions are counted at the charge rather than the case level. For infractions and misdemeanors, there may be more than one charge per case.
  - Charge dispositions, like filings, were up slightly from 2002, with those in core judicial (non-parking) caseload increasing by 2.1%.
  - The case type with the largest number of charge dispositions (Traffic Infractions), increased by 3.5%, accounting for much of the increase in non-parking dispositions.
- 

## PROCEEDINGS

- The 11.2% increase in contested non-parking proceedings was driven by the 14.3% increase in contested traffic infraction hearings, an increase of over 16,000 proceedings from 2002.
  - Jury trials, which comprise 2.1% of contested proceedings, decreased by 5.0%. Non-jury trials and contested small claims continued their decline of the last few years, dropping from 21,378 in 1999 to 17,039 in 2003 (a 20.3% decline).
-

## REVENUE

- Washington's courts of limited jurisdiction collected \$151,527,018 in fines, forfeitures, penalties and assessments in connection with core judicial (non-parking) cases – a 4.0% increase over the 2002 level. This increase was primarily driven by the 6.3% increase in revenue from non-parking traffic infractions that account for 68.3% of total non-parking revenue.
- The amount collected under PSEA-2 (Public Safety and Education Assessment – Account 2) remained relatively stable, increasing by only 1.7% in 2003.

# Understanding Caseload Data

## What Courts Are Displayed in These Tables?

The caseload tables presented here summarize caseloads of Washington courts. Data are drawn from the Judicial Information System (JIS), a statewide system of computer applications employed by the courts for recording and processing cases. The Supreme Court, all three divisions of the Court of Appeals, and all Washington State superior courts are represented in these automated databases and in the statistical tables presented here.

District and municipal courts which employ DISCIS, the District and Municipal Court Information System application within JIS, are represented in Courts of Limited Jurisdiction statistical tables. In addition, Seattle Municipal Court (although it does not employ DISCIS) is also represented, due to a special download from their local automated system. Information is not available for traffic violations bureaus (established in accordance with RCW 3.30.090) or for the small number of courts which do not employ DISCIS. Those violations bureaus and non-DISCIS courts process a combined total of about 5,000 cases per year -- approximately one-fourth of one percent of the statewide limited jurisdiction caseload.

## Is All Court Activity Represented in These Tables?

The tables presented here profile the core judicial caseload of Washington's courts. Caseload tables do **not** comprise a complete workload report. Administrative activities, non-case activity, and off-bench case activity are not reflected in caseload statistics.

In addition, some DISCIS courts choose to manage certain limited case activities off DISCIS. These may include felony preliminary activity, superior court arraignments, jail arraignments for other municipalities, in-custody defendant court appearances, bail hearings, investigative holds, fugitive complaints, extradition hearings, parking and coroner's inquests. Courts may be contacted individually to determine the nature and extent of any activity not entered in DISCIS.

In order to determine funding and staffing needs, it is necessary to supplement caseload information with additional information obtainable from individual courts.

Similarly, caseload revenues do not reflect all monies received by courts. Funds held in escrow or trust, cost-recovery reimbursements (which are retained locally rather than subject to state revenue splits), and non-case receipts are not included in the figures presented in these tables. For a complete picture of funds received, contact individual courts.

## Additional References for Caseload Data

A glossary is included with each court level's chapter. [Supreme Court](#), [Court of Appeals](#), [Superior Court](#), and the [Courts of Limited Jurisdiction](#). Please consider the definitions and reporting conventions detailed in the glossary when interpreting statistics provided in the tables. Also be certain to look at the bottom of any table you read; *footnotes can have a significant impact on interpretation of the figures within the table.*

Courts can find additional information concerning counting protocols and required data-entry procedures in the following manuals:

- Appellate Court Statistical Reporting and Docketing Manual

- Washington State Superior Court Statistical Reporting Manual
- "Caseload Report" section of the JIS Reports Manual for Courts of Limited Jurisdiction.

# Interpreting Court Listings

Reporting courts are listed by county and categorized into three types: district courts (which may sponsor branch locations in addition to the primary site), municipalities that contract for services from district courts (indented under the appropriate district court), and independent municipal courts. These are presented in the following scheme:

## **Categorization in Table**

County

.District Court

..Branch 1 (primary site)

...Contracting Municipalities

..Site Total

..Branch 2

...Contracting Municipalities

..Site Total

.District Court Total

.Independent Municipal Courts

# New or Recently Disbanded Courts

- Courts are occasionally established, dissolved, or experience a change in contracting relationships in the middle of a calendar year. In addition, during a year, a few courts may begin using the "Judicial Information System" (JIS) for automated management of their caseload. For such courts, figures represent activity only for that portion of the year in which the court was active and was using JIS.
- During calendar year 2003, Beaux Arts Village and the City of Spokane Valley began reporting.
- King and Pierce County District Courts each consolidated their operations in January, 2003. King County District Court is now comprised of four divisions, and Pierce County has just one division.

# DUI: A Special Note

Statistics regarding Driving Under the Influence are contained in two sets of tables. For information regarding **individual courts**, see the caseload tables entitled, ["DUI/Physical Control Misdemeanors."](#) These display high-level, court-by-court information on the number of filings, charges, proceedings and dispositions of these cases. Total statewide figures are available in the ["Driving Under the Influence"](#) tables. These provide **more detail regarding dispositions and sentencing, but only for the state as a whole**. A similar report can be obtained for any individual court by contacting that court's administrator directly.

# Courts of Limited Jurisdiction Glossary

This glossary is included to assist in understanding the statistical tables.

## Judicial Needs Estimates (Annual Report Only)

**Judges** - The number of full-time resident judges in court at year-end. Excludes visiting and pro tempore judges.

**Commissioners** - The number of full-time and part-time commissioners in court at year-end. Excludes visiting and pro tempore commissioners.

**Acting as Superior Court Commissioners** - Total limited jurisdiction court judicial FTE's serving as general jurisdiction commissioners.

**Total Judicial Officers** - The number of full-time judges, full-time commissioners, and part-time commissioners, excluding visiting and pro tempore judges and commissioners. It also excludes the FTE's identified under "Acting as Superior Court Commissioners."

**Total Estimated Judicial Need** - Judicial officer FTE estimates based on the input-output methodology. (See "Description of Methodology" following the Judicial Needs Estimates tables.)

## Staffing (Annual Report Only)

**Full Time Equivalent (FTE)** - The combined number of hours for which a group of individuals is paid to work each week during the year, divided by a standard number of hours per week. For example, a person that is paid to work 40 hours per week equals one FTE. Two people working a 20-hour week are equivalent to one FTE.

**Judges** - The number of resident full-time judges in district or municipal court as of year-end.

**Commissioners** - The number of court commissioners in district or municipal court as of year-end. These numbers are broken down into full- and part-time positions, as reported by the court.

**Permanent Full Time Staff** - The number of full-time administrative staff, excluding the court administrator.

**Part-Time and Temporary Staff** - The number of permanent administrative staff working at less than a full time workweek and the number of staff working less than a full year. Full-time status is based on the staff workweek.

**Staff Workweek** - The number of hours that are officially recognized as constituting a full-time work week for administrative staff.

## **INFRACTIONS - CASE TYPES**

Infractions are identified and defined under RCW 46.63.020 and include violations of traffic statutes, laws, or ordinances that are not punishable by a jail sentence. There are three types of infractions:

**Traffic Infractions** - Cases that pertain to (1) the operation or condition of a vehicle whether it is moving, standing, or stopping, and (2) pedestrian offenses.

**Non-Traffic Infractions** - Cases including violations of RCW 18.27.340 and 18.106.020, contracting and plumbing license violations, and offenses decriminalized under municipal code, such as dog leash violations in some municipalities.

**Parking Infractions** - Cases pertaining only to violations of parking statutes and ordinances.

## **INFRACTIONS - FILINGS**

**Notices of Infraction Filed** - Individual Uniform Court Docket forms received by the reporting court during the period. Each notice of infraction can contain up to three charges. Previously closed matters that have been reopened (for example, FTA's) are not counted. Violations charged are shown separately.

**Number of Violations Charged** - All violations for those infractions filed during the period as recorded on the Uniform Court Docket under the section entitled, "and did then and there commit each of the following offenses/infractions." There will be at least one, and no more than three, violations per notice of infraction (increased from two, effective January 1, 1995).

## **PROCEEDINGS (Used in several reporting categories)**

Proceedings include all hearings held in open court. A proceeding is conducted in "open court" if it is held in a courtroom with the judge, at least one of the parties to the action is present, and court is "in session." Hearings outside the courtroom, such as those in chambers, should only be considered to be in open court if they are "on the record" (electronically recorded where statute requires).

## **INFRACTION PROCEEDING TYPES**

**Mitigation Hearing** - A hearing at which the offender agrees to having committed the offense but wishes to explain the circumstances to the court, pursuant to provisions of RCW 46.63.100. Witnesses may not be required to attend but may attend voluntarily.

**Contested Hearing** - A hearing at which the defendant contests the infraction pursuant to the provisions of RCW 46.63.090. Witnesses, including the citing officer, may be required to attend.

**Show Cause Hearing** - A hearing resulting from a failure by the defendant to appear for a requested mitigation or contested hearing. If the show cause hearing is followed immediately by a contested or mitigation hearing, the second hearing is also reported in the appropriate category.

**Other Hearing on the Record** - Any hearing, other than those above, that meets the criteria for proceedings that must be electronically recorded where statute requires.

Routine paper signing is not counted in this category. Two criteria are used to determine this type of hearing. First, at the onset of the hearing, the judge states the name and number of the case and the names of the attorneys for the parties who are represented. Second, a record of the proceeding must be kept according to the appropriate method (i.e., electronically recorded where statute requires or recorded on the docket).

### **DISPOSITIONS (Used in several reporting categories)**

A disposition is the resolution of an issue that has been brought before the court.

### **INFRACTION DISPOSITION TYPES**

Each violation charged has one disposition. This includes all dispositions within the report period, regardless of when the charge was originally filed.

**Paid** - An instance when the defendant has paid the penalty in full for the infraction offense without an appearance in court by the defendant or his or her representative. The Abstract of Judgment will be marked as "P."

**Committed--Failure to Respond/Failure to Appear** - An instance when the defendant failed to respond to a notice of infraction (FTR) or failed to appear for a scheduled hearing (FTA). This represents a final disposition regardless of any subsequent actions or payments.

**Committed** - A decision by the court that a defendant committed the infraction that was charged. This includes charges in which the defendant failed to meet the conditions of a deferred finding agreement (described below) associated with a traffic infraction charge.

**Not Committed** - A decision by the court that a defendant has not committed the infraction that was charged.

**Dismissed** - An infraction charged against the defendant and rejected by the court. This includes charges dismissed as a result of defendant's successful completion of the conditions of a deferred finding agreement.

### **TRAFFIC INFRACTIONS – DEFERRED FINDINGS**

Those traffic infractions for which the court defers findings for up to one year and imposes specific conditions and costs on the defendant, as authorized by SSB 2776 - Chapter 110, Laws of 2000 (effective June 8, 2000). At the end of the deferral period, if the defendant has successfully met those conditions and has not committed another traffic infraction, the court may dismiss the charge. If the defendant fails or re-commits, the court will enter a judgment of committed and impose appropriate penalties. Outcomes for these deferrals are included in the appropriate "Committed" or "Dismissed" disposition counts.

### **APPEALS (Used in several reporting categories)**

All cases that have been appealed to the superior court. Appeals are counted by case rather than by charge.

### **INFRACTIONS - REVENUE**

All monies received during the report period for penalties and assessments in connection with infractions, regardless of when the original infractions were filed or processed.

Effective July 22, 2001 this includes a \$12 JIS fee (raised from the \$10 fee in effect from June 9, 1994 through July 21, 2001), which is imposed on all committed infractions and is subject to two Public Safety and Education Assessments (PSEA-1 and PSEA-2). Effective July 27, 2003 infraction revenue also includes an additional \$20 penalty (raised from \$10 effective July 22, 2001 through July 26, 2003), which is imposed on all committed infractions. Effective January 1, 1998 the Washington State legislature imposed a new \$5 penalty on all committed traffic infractions, which is dedicated entirely to support emergency medical services and trauma care. The infractions revenue reporting category does not include the PSEA-2 assessment. For that figure, see "PSEA-2", which follows.

## **PSEA-2 (PUBLIC SAFETY AND EDUCATION ASSESSMENT-2)**

All monies received during the report period which are based on the PSEA-2 state assessment. This includes assessments received from both infractions and criminal citations (misdemeanors). The PSEA-2 assessment, originally implemented May 1, 1986 at 30%, was increased to 35% on July 27, 2003. The actual figure is shown in the annual report only, in the "Revenue" court level tables and the "Misdemeanor Activity" statewide table.

## **MISDEMEANORS - CASE TYPES**

Misdemeanors are violations of traffic and criminal statutes, laws, or ordinances that are punishable by a jail sentence and not by imprisonment. This includes all traffic violations that may be classed as criminal offenses and are listed as exceptions under RCW 46.63.020.

**DUI/Physical Control** - Cases that cite RCW 46.61.502, driving while under the influence of intoxicating liquor or drugs, or RCW 46.61.504, actual physical control of a motor vehicle while under the influence of intoxicating liquor or drugs.

**Other Traffic Misdemeanors** - All citations and complaints other than those counted under DUI or Physical Control, that pertain to the operation or use of a vehicle.

**Non-Traffic Misdemeanors** - Criminal cases, excluding DUI and Physical Control, Other Traffic misdemeanors, and Felony complaints, punishable by up to one year in jail and/or a fine of up to \$5,000.

## **MISDEMEANORS - FILINGS**

**Citations/Complaints Filed** - Individual Uniform Court Docket forms received by the reporting court during the period. Each Uniform Court Docket form can contain up to two charges. Misdemeanor complaints filed by the prosecutor, which may contain more than two charges, are also included.

**Number of Violations Charged** - All charges listed on the misdemeanor citations and complaints filed during the period. There will be at least one charge per citation.

## **TRIAL SETTINGS (Used in several reporting categories)**

A setting denotes the establishment of a trial date and courtroom. Settings include all scheduling and rescheduling during the report period, regardless of the date for which the trial is set.

**Non-Jury Trials Set** - The scheduling of bench trials before the judge (without a jury), at which the individual contests the charges or claims against him or her.

**Jury Trials Set** - The setting of any trial on a jury trial calendar.

## **MISDEMEANOR PROCEEDING TYPES**

**Arraignment** - A separate hearing that consists of reading the complaint to the defendant or stating the substance of the charge, and advising the defendant of his or her rights for the purpose of allowing the defendant to enter a plea.

**Non-Jury Trial** - A bench trial before the judge (without a jury) at which the defendant contests the charges made against him or her. A witness must be sworn before a hearing may be counted as a non-jury trial. Introduction of exhibits and stipulation to the record are not sufficient criteria for counting a hearing as a non-jury trial.

**Jury Trial** - A trial before a jury at which the defendant contests the charges. A jury trial is counted once, when it starts. A jury trial has started when the following events have taken place: (1) the jury has been impaneled, (2) voir dire has occurred, and (3) the jury has been sworn and is ready to hear evidence. Jury trials are reported regardless of whether the jury eventually renders a verdict.

**Stipulation to the Record** - A hearing before a judge at which the defendant maintains a plea of "not guilty," but stipulates to a reading of the record. Witnesses may be examined by the judge. A finding of guilt is normally entered based on the facts in record.

**Other Hearing on the Record** - Any other hearing on a misdemeanor matter that meets the criteria for proceedings that must be electronically recorded where statute requires. Routine paper signing is excluded from this category.

## **MISDEMEANOR DISPOSITION TYPES**

Each misdemeanor violation charged will have one disposition. Included are all dispositions within the period, regardless of when the charge was originally filed. Dispositions do not reflect outstanding warrants.

**Bail Forfeiture** - Charges for which the defendant has paid the penalty for the offense without an appearance in court by the offender or his or her lawyer.

**Guilty** - Charges for which the defendant has been found guilty, following an appearance before the court.

**Not Guilty** - Charges for which the defendant has been found not guilty, following an appearance before the court.

**Dismissed** - Charges which have been dismissed. This includes charges where the defendant has successfully completed the probationary period resulting from deferred prosecution.

**Misdemeanor Reduced or Amended to a Lesser Charge** - DUI or Physical Control charges which are amended or reduced to other traffic misdemeanors. Activity subsequent to the reduction or amendment, including final disposition, is counted under "Other Traffic Misdemeanors".

**Misdemeanors with Prosecution Deferred or Diverted** - Those citations or complaints

for which the court orders or allows the parties to enter into a stipulated agreement which imposes specific conditions on the defendant. Upon completion or adherence to the conditions, the court may dismiss or amend the charge. Deferred prosecution under RCW 10.05 is included, along with other types of deferrals such as deferred findings, deferred sentences, agreed continuances, or court accepted diversion programs. Diversion intervenes either prior to arraignment or prior to trial.

### **MISDEMEANORS - COURT COSTS RECOVERED**

Reimbursement by a convicted defendant of certain court costs incurred by local government in the disposition of an offense. These costs may include public defense, sheriff's fees, criminal witness fees, criminal jury fees, and court interpreter fees. Reimbursements reflect the actual amount recovered in the period.

### **MISDEMEANORS - REVENUE**

Monies received during the report period for fines, forfeitures, and penalties in connection with misdemeanors, regardless of when the original citations/complaints were filed or processed. This does not include transactions involving trust accounts, unless money that had been deposited in a trust account is forfeited to the court. (The PSEA-2 assessment is not included. For that figure, see the description of "PSEA-2", following "INFRACTIONS – REVENUE".)

### **DOMESTIC VIOLENCE/ANTI-HARASSMENT PROTECTION - PETITIONS FILED**

A petition for an order of protection filed by a person seeking relief from an allegedly violent person, either related to or living with the petitioner. Antiharassment petitions included in this category began to be processed by district courts July 1, 1991.

### **DOMESTIC VIOLENCE/ANTI-HARASSMENT PROTECTION PROCEEDING TYPES**

**Ex Parte Hearing** - A hearing concerning temporary orders at which either the respondent, the petitioner, or their representative is present. Includes hearings which modify temporary orders for protection.

**Full Order Hearing** - A hearing concerning full orders of protection at which either the respondent, the petitioner, or their representative is present. Includes hearings which modify full orders for protection.

### **DOMESTIC VIOLENCE/ANTI-HARASSMENT DISPOSITION TYPES**

**Full Orders Granted** - The petition for the full protection order is granted by the court.

**Denied/Dismissed** - Includes both temporary and full orders for protection which were not granted by the court.

**Transferred to Superior Court** - Full order petitions must be transferred to superior court if one or more of these conditions exist: (1) if the superior court has exercised jurisdiction over a proceeding involving the parties, (2) child custody is involved, or (3) there is a request to exclude a party from a dwelling which both parties share.

### **CIVIL - FILINGS**

All complaints or petitions filed by a private or corporate party against another private or corporate party requesting the enforcement or protection of a civil right, alleging civil damages, or calling for the redress or prevention of a wrong. In addition, these filings include small claims judgments that have been transferred to the civil court. Effective June 8, 2000, district court jurisdiction includes civil cases with damages to a maximum of \$50,000. (This limit has increased several times over the years: \$25,000 effective July 1, 1991, \$35,000 effective July 27, 1997.) On June 11, 1998, municipal court jurisdiction was expanded to include determination of issues in one type of civil matter -- vehicle impoundments authorized by agents of the municipality.

## **CIVIL PROCEEDING TYPES**

**Non-Jury Trial** - A bench trial before the judge (without a jury) to decide the facts of the original issues of the case. A witness must be sworn before a hearing may be counted as a non-jury trial.

**Jury Trial** - A trial before a jury. A jury trial is counted once, when it starts. A jury trial has started when the following events have taken place: (1) the jury has been impaneled, (2) voir dire has occurred, and (3) the jury has been sworn and is ready to hear evidence. Jury trials are reported regardless of whether or not the jury eventually turns in a verdict.

**Other Participatory Hearing** - A proceeding other than a trial in open court at which at least one of the parties to the case is present. Other participatory hearings include supplemental proceedings, 72-hour commitments for observation purposes, false alarm hearings, and vehicle impound hearings. Motions and reconsiderations argued in open court where one of the parties to the case is present are also counted.

## **CIVIL DISPOSITION TYPES**

**Default Judgment** - An instance where the defendant has failed to contest the action or failed to appear in court, and the court has found for the plaintiff on a motion for a default judgment.

**Other Pretrial Disposition** - Instances in which the case has been disposed of by some judgment or manner other than a default judgment, without having proceeded to trial. Reasons for such dispositions include summary judgments, dismissals, agreed judgments, changes of venue, and cases that were filed improperly due to the residency of the defendant.

**Judgment/Disposition After Trial** - Cases that have been disposed after having proceeded to trial, even if the case was disposed without successful completion of the trial. The important differentiation between this disposition category and those preceding is that a trial was commenced. Disposition may include dismissals or stipulations as well as judgments.

## **CIVIL - POST-JUDGMENT WRIT**

A writ issued after judgment for the purpose of capturing funds. Included are writs of garnishment, execution, and replevin.

## **CIVIL - REVENUE**

All monies received during the report period for payment of filing fees, fees for the law library, writs, record searches, copying, and notarizing. Antiharassment petition filing

fees have been included in this category since July 1, 1991.

## **SMALL CLAIMS - FILINGS**

Civil causes of action limited to redress through damages not to exceed \$4,000 (increased from \$2,500 in 2001), and where parties are not represented by attorneys.

## **SMALL CLAIMS PROCEEDING TYPES**

**Trial** - A trial in open court at which both parties to the action are present and contesting the matter and a witness is heard.

**Other Participatory Hearing** - A proceeding in open court, other than a trial, where one of the parties is present.

## **SMALL CLAIMS DISPOSITION TYPES**

**Default Judgment** - A judgment made when the defendant has failed to contest the action or failed to appear in court.

**Other Pretrial Disposition** - A case which has been disposed of by some judgment or manner, other than a default judgment, without having proceeded to trial. These dispositions include summary judgment, dismissal, agreed judgment, and transfers.

**Judgment/Disposition After Trial** - A case which has been disposed after having proceeded to trial. This classification is used for dispositions even if the case was disposed of without successful completion of the trial. The important differentiation between this disposition category and those preceding is that a trial was commenced.

## **SMALL CLAIMS - JUDGMENTS TRANSFERRED TO CIVIL DEPARTMENT**

Judgments that have been transferred to the civil court for collection purposes. These are considered to be new filings in the civil section.

## **SMALL CLAIMS - APPEALS TO SUPERIOR COURT**

All small claims cases that have been appealed to the superior court. Appeal is possible in a small claims case only if the amount claimed was \$100 or more, and if the defendant did not make a cross-claim against the plaintiff.

## **SMALL CLAIMS - REVENUE**

All monies received during the report period for payment of small claims filing fees and fees for record searches, copying, and notarizing.

## **FELONY - COMPLAINTS**

Complaints filed in district court that allege the commission of a criminal act punishable by a prison sentence. The jurisdiction of district courts is to provide a preliminary hearing; superior courts have jurisdiction for trying felony complaints. Each defendant is counted only once, regardless of the number of charges on the complaint.

## **FELONY - PROBABLE-CAUSE DEFENDANTS**

Those felony matters (including felony in-custody defendants) for which a felony complaint has *not* yet been filed. These include all persons brought before the district

court on a felony matter for determination of probable cause for the arrest and/or preliminary appearance (also known as “first appearance”). In addition to determining probable cause to hold, the judge typically reviews police reports, makes release decisions, and sets bail. Additional hearing activity may also occur for these defendants, including fugitive warrants, “second appearances” (at which the prosecutor must recommend release or determine that charges will be filed directly into superior court), and “expedited felony appearances” in which the prosecutor determines whether the complaint/information will be filed in district court as a misdemeanor or directly in superior court as a felony. (Note: Caseload publications prior to 2003 referred to this category as "Felony In-Custody Defendants.")

## **FELONY PROCEEDING TYPES**

**Preliminary Appearance** - A hearing at which a defendant is informed of the nature of the charges. Bail may be determined at this hearing.

**Formal Charge Hearing** - A hearing at which the defendant is formally charged with a felony complaint. This hearing is sometimes called an arraignment, although the defendant cannot plead guilty to felony charges.

**Felony Preliminary Hearing** - A hearing in open court for the purpose of determining if there is sufficient cause to bind the defendant over for trial in superior court for the charges alleged. Witnesses may be required to attend, and evidence may be introduced.

**Other Participatory Hearing** - Any other hearing relating to a felony charge at which the defendant or an attorney representing either side is present. This category includes additional hearings to reduce bail, to release the defendant on personal recognizance, or to continue a previous hearing in order to receive additional information.

## **FELONY DISPOSITION TYPES**

**Dismissed** - All charges against the defendant have been dismissed.

**Bound Over to Superior Court** - Sufficient cause has been found to bind the defendant over to be tried in superior court for any of the charges alleged.

**Reduced to Misdemeanor** - An instance in which all felony charges are dropped, but the defendant is still charged with a misdemeanor. The defendant may have entered a guilty plea to a lesser charge, a complaint may have been amended, or the case may have been refiled as a misdemeanor.

1 In the Annual Report for 2000, some courts were allowed to include counts of felony and/or parking activity not entered in the Judicial Information System (JIS). Those counts have been excluded here for comparability. Also, note that some courts have felony probable-cause activity, in addition to the formal felony complaint filings shown here. For felony probable-cause statistics, see the "Felony Activity" statewide trend table and the "Felony Complaints" court-level table appearing later in this publication.

2 Does not include related criminal charges, which are included in non-traffic misdemeanors.

3 Data source: Office of Financial Management, "Official April 1, 2003 Population Estimates."

-- <http://www.ofm.wa.gov/pop/aprill/index.htm> --

4 Includes dispositions of felony preliminary matters. Probable-cause and in-custody defendant counts are excluded. Dispositions are counted solely for felony complaints filed in the district court for purposes of conducting preliminary hearings.

5 Changes in revenue reflect elimination of the filing fee for domestic violence protective orders. Anti-harassment filing fees and receipts are included in civil revenue.

1 More detailed DUI disposition and sentencing information (statewide figures only), is available in the section titled "Driving Under the Influence."

2 Dismissals include cases in which the defendant has successfully completed the terms of deferred prosecution.

3 Charge dispositions do not reflect outstanding warrants. DUI dispositions--like DUI charges--include those for any secondary charge on a DUI citation.

4 Beginning in 1999, the prosecution deferred/diverted count includes other deferrals and diversions in addition to those authorized under RCW 10.50.010. Figures are not comparable with prior years' data.

5 Many settings occur for cases which never proceed to trial. Rescheduling of cases which do go to trial are included.

1 Dismissals include cases in which the defendant has successfully completed the terms of deferred prosecution.

2 Charge dispositions do not reflect outstanding warrants. DUI charge dispositions--like DUI charges--include those for any secondary charge on a DUI citation.

3 This count is specific to DUI charges.

# Driving Under the Influence (DUI) Tables

## DUI Disposition and Sentencing Reports Background

### Introduction

---

During the past several years, there has been an increasing public and court demand for better information concerning Driving Under the Influence (DUI). Judges are frequently asked for statistics about how these cases are handled and the effectiveness of deferred prosecution or other court imposed sanctions. To respond to these requests and to provide information judges can use to manage their caseloads, the Judicial Information System Committee (JISC) designated a committee of judges to develop a set of DUI management reports.

The following statewide summary reports reflect DUI or Physical Control cases that reached disposition during the calendar year. Please note that this information is available only for courts which were on the DISCIS computer system (District and Municipal Court Information System), and only for cases disposed after January 1, 1995. The Administrative Office of the Courts will produce these statewide reports annually for cases that reached disposition during the preceding year. Future years' figures will increase as a consequence of additional courts being added to DISCIS.

**For an individual court's reports, contact the local court's administrator.** Variations among courts can be attributed to local court filing practices, clerical data entry procedures, prosecutor, or court practices. Please contact the court for more information or an explanation about how unique court data are affected by local practices.

A case is selected for the reports if it includes an original charge of DUI, physical control or an equivalent local ordinance, and the charge has been disposed during the date range specified for running the report. The row labels on each report are identical and describe three mutually exclusive sets of cases: (1) charges entering the system as a DUI and disposed as a DUI, (2) charges entering the system as a DUI and amended to a different charge, and (3) other charges written on the same ticket as the DUI charge.

The DUI Disposition and Sentencing Reports are composed of four statistical reports. The first report describes how DUI charges are disposed. The second report explains the effectiveness of deferred prosecution and other prosecutor deferral programs. The third report provides the common reasons for dismissal of charges. The final report furnishes information on the average amount of jail and fine/costs imposed on a convicted defendant. For assistance using these reports, contact the Office of the Administrative Office of the Courts, Court Services Unit, (360) 753-3365.

### Sentencing Report

---

The function of the first report is to describe how DUI charges are being disposed. The report separates charges into two categories, charges with a disposition **not** adverse to the defendant and charges with a disposition adverse to the defendant. Charges with a disposition not adverse to the defendant appear on the left side of the report under the label "No Sentence Conditions Imposed." This category includes **ONLY** charges where the individual was acquitted or where the charge was dismissed without conditions (this can occur when there is insufficient evidence to sustain the charge, witnesses are not present, the defendant was found incompetent to stand trial, etc.).

Charges with adverse dispositions appear on the right side of the report in the section labeled "Sentence Conditions Imposed or Awaiting Sentence." According to RCW 10.97.030 a disposition adverse to the defendant includes convictions or dismissals entered after a period of probation, suspension, or deferral of sentence. The following dispositions appear on this part of the report: (1) guilty and bail forfeitures, (2) deferred prosecution programs, and (3) prosecutors deferral/diversion programs.

Defendants ordered to deferred prosecution programs or probation status must comply with specific court ordered conditions as if they were convicted. The types of conditions routinely ordered by the court include jail time, fines, court costs, probation fees, substance abuse treatment, attendance at victim impact panels, electronic home detention, or victim restitution.

The disposition of DUI cases is directly impacted by resources available to courts and criminal justice entities. When resources are very scarce, prosecutors typically screen DUI cases to determine which have the best chance for success (i.e., conviction). These are the cases which are likely to proceed to trial. Cases determined to have less chance for conviction on a DUI charge are frequently negotiated to convictions for lesser charges. Local jurisdictions have adopted various policies for screening DUI cases to determine how they will be prosecuted. For example, some prosecutors vigorously screen cases prior to filing with the court to determine the most appropriate charge; i.e., DUI vs. physical control vs. reckless driving. In other jurisdictions, law enforcement officers file tickets directly with the court without prior prosecutorial review. Unique practices such as these, often adopted because resources are limited, may affect the disposition of DUI cases from court to court.

## Deferred Prosecution/Deferral Report

---

This state utilizes two alternative processes for disposing DUI charges prior to convicting, acquitting or dismissing charges. These two programs are Deferred Prosecution (Def Pros) and Prosecutors Deferral/Diversion Program (Pros Defer). This report describes the number of charges referenced into or out of these programs during the reporting period.

Deferred Prosecution Program is authorized under Chapter 10.05 RCW, which allows defendants with a significant alcohol or drug addiction problem to petition the court to have the disposition of their charge deferred until they have completed an intensive substance abuse treatment and met other conditions required by the court. At the end of two years, if the defendant has successfully completed the terms of the program, the charge is dismissed; for those that fail, the deferred status is revoked and the defendant is prosecuted for the original DUI charge.

Prosecutors Deferral/Diversion Program is requested by the prosecutor and allowed by the court when the evidence is insufficient to result in a conviction at a trial. The defendant is required to successfully complete substance abuse treatment, and other requirements as if convicted; upon successful completion, the DUI charge may be reduced. The Prosecutors Deferral/Diversion Program allows the court to maintain supervision over defendants who are unlikely to be convicted, while giving the court the ability to impose conditions including treatment and victim restitution.

The report is a "snapshot" of the current status of the charges, which means that the charges referred out of the program are **NOT** the same charges entering the program during the reporting period. The report calculates the successful completion rate of charges referred out of the program during the reporting period.

## Charges Dismissed Report

---

The third report provides the common reasons for dismissing a charge. The report details the dispositions recorded under the section "No Sentence Conditions Imposed" found on the first report. Common reasons for dismissal include the unavailability of witnesses, death of the defendant, expiration of warrants, etc. For many courts, the percentage of "Other Charges" dismissed is significantly higher than the number of DUI or physical control charges dismissed. This is typically the result of a plea negotiation between the prosecutor and the defendant. The defendant agrees to plead guilty to the DUI or physical control charge in exchange for the prosecutor recommending the dismissal of other charges filed against the defendant on the same DUI ticket.

## Conditions of Sentence Report

---

The fourth report describes the average jail and fine/cost conditions imposed on a defendant found guilty or allowed to forfeit bail as the final disposition for the charge. The amount imposed refers to the total number of jail days or fine/cost dollars sentenced. The amount ordered to serve or to pay reflects the amount the court did **NOT** suspend from the total imposed. Typically, a court will impose the maximum jail sentence allowed, while suspending a majority of the days to be served. The court does this so that it may automatically reimpose the suspended portion of the sentence if the defendant fails to comply with other conditions of sentence. Most defendants are required to serve some jail sentence and pay some fine/cost amount. Generally, there are two reasons why all DUI convictions would not have a jail sentence imposed: (1) if the court makes a special finding that the imposition of a jail sentence will pose a risk to the defendant's physical or mental well being, or (2) the court forfeits bail as the final disposition because it is unable to reach a defendant who lives outside the state. In some circumstances, the court has the authority to waive or suspend fines or costs if the defendant is found to be indigent. The average amounts imposed and ordered to be served or paid are aggregate totals, which means the average sentence for repeat offenders would probably be much higher than the aggregate average, and the average sentence for a first time offender would probably be lower.

# Driving Under the Influence (DUI) Tables

## Row Descriptions For All Reports

The following row descriptions apply to all of the DUI REPORTS:	
Row Name	Description
<b>ORIGINAL CHARGES</b>	Charges originally filed and disposed as either a DUI or Physical Control charge.
<b>DUI</b>	A count of all charges originally filed and disposed as RCW 46.61.502 or equivalent local ordinance.
<b>PHYSICAL CONTROL</b>	A count of all charges originally filed and disposed as RCW 46.61.504 or equivalent local ordinance.
<b>AMENDED TO</b>	Charges amended and disposed that were originally charged as DUI or Physical Control.
<b>NEGLIGENT DRIVING</b>	A count of all charges originally filed as either a DUI or Physical Control that were amended to RCW 46.61.525 "Negligent Driving."
<b>RECKLESS DRIVING</b>	A count of all charges originally filed as either a DUI or Physical Control that were amended to RCW 46.61.500 "Reckless Driving."
<b>OTHER</b>	A count of all charges originally filed as either a DUI or Physical Control that were amended to any other charge. (Category includes all local ordinances.)
<b>OTHER CHARGES</b>	Additional charges filed and disposed on the same DUI or Physical Control case number, in other words, the second charge on the DUI ticket.
<b>DRIVING WHILE LICENSE SUSPENDED</b>	A count of all charges filed on the same DUI or Physical Control case number and disposed; filed under RCW 46.20.342 "Driving While License Suspended 1st, 2nd, or 3rd Degrees."
<b>NO VALID OPERATOR'S LICENSE</b>	A count of all charges filed on the same DUI or Physical Control case number and disposed; filed under RCW 46.20.021 "No Valid Operator's License."
<b>OTHER</b>	A count of all charges filed on the same DUI or Physical Control case number and disposed; filed under any other charge. (Category includes all local ordinance numbers.)

1 Data in this statewide table are not comparable to those presented in the court-level caseload tables, due to different reporting definitions. Figures in this statewide table are based on numbers of charges, whereas some DUI figures in the court-specific tables are based on numbers of cases. For correct interpretation of figures, please refer to the glossaries which accompany each set of tables.

2 The charge was dismissed without conditions, or the defendant was found not guilty of the charge. Charges can be dismissed on:

- The court's own motion (Court)
- Motion of the prosecution (Prosecution)
- Motion of the defense (Defense)
- For other reasons (Other)

3 Sentence conditions were imposed on the defendant after the charge was adjudicated. This will result when the defendant is convicted, allowed to forfeit bail, granted deferred prosecution, or a stipulated order deferring the outcome of the charge is entered. The categories under this heading are as follows.

- Guilty/Bail Forfeiture--charges with a finding of guilt, or bail was forfeited as a final disposition. (Bail may be forfeited and a warrant issued if a defendant has failed to appear.)
- Deferred Prosecution--charges placed in, completed, or revoked from a deferred prosecution program.
- Prosecutor's Deferral--charges placed in, completed, or revoked from a prosecutor's deferral or diversion program. This occurs when the prosecutor enters into a stipulated agreement with the defendant. (Please see the notes in the next table.)
- Total Sentences--the total number of charges in the row resolved with sentence conditions imposed.
- Total/Awaiting--the total number of charges in the row resolved with sentence conditions imposed, or found guilty and awaiting sentencing.

1 Data in this statewide table are not comparable to those presented in the court-level caseload tables, due to different reporting definitions. Figures in this statewide table are based on numbers of charges, whereas some DUI figures in the court-specific tables are based on numbers of cases. For correct interpretation of figures, please refer to the glossaries which accompany each set of tables.

2 The categories under Deferred Prosecution include the following:

- In Progress--charges in a deferred prosecution program until certain conditions are met.
- Completed Program/Charges Dismissed--charges that have been dismissed where the defendant completed the conditions of the deferred prosecution program.
- Program Revoked/Defendant Convicted--charges removed from a deferred prosecution program, where a finding of guilt and sentence has been entered.
- Completion Rate--an estimate of the completion rate for charges disposed from deferred prosecution. The estimate is calculated by dividing the Completed Program/Charges Dismissed by the sum of Completed Program/Charges Dismissed and Program Revoked/Defendant Convicted.

3 The categories under Prosecutor's Deferral Or Diversion include the following:

- In Progress--charges in a prosecutor's deferral or diversion program. This occurs when the prosecutor enters into a stipulated agreement with the defendant. Upon completion or adherence to specific conditions, the court may reduce the charge to a lesser offense, dismiss the charge, or the defendant may enter a plea of not guilty. This is known as a deferred finding, deferred sentence, agreed continuance, or court accepted diversion program.
- Completed Program/Charges Dismissed--charges that have been dismissed where the defendant completed the conditions of a deferral/diversion program.
- Completed Program/Charges Reduced--charges that have been reduced from the original DUI where the defendant completed conditions of a deferral/diversion program.
- Program Revoked/Defendant Convicted--charges removed from another deferral/diversion program, where a finding of guilt and sentence has been entered.
- Completion Rate--an estimate of the completion rate for charges disposed from a prosecutor's deferral or diversion program. The estimate is calculated by dividing the sum of Completed Program/Charges Dismissed and Completed Program/Charges Reduced by the sum of Completed Program/Charges Dismissed and Completed Program/Charges Reduced and Program Revoked/Defendant Convicted.

1 Data in this statewide table are not comparable to those presented in the court-level caseload tables, due to different reporting definitions. Figures in this statewide table are based on numbers of charges, whereas some DUI figures in the court-specific tables are based on numbers of cases. For correct interpretation of figures, please refer to the glossaries which accompany each set of tables.

2 The categories under this heading are as follows:

- Age Of Case--charges dismissed because the state or city has not met the time limit.
- Defendant Deceased/Found Incompetent--charges dismissed because the defendant has died prior to adjudication or was found incompetent to stand trial.
- Filed in Superior Court/Lacked Jurisdiction--charges dismissed because they are to be filed directly in district or superior court, the court lacks adequate jurisdiction over the case or defendant, or duplicate charges were filed on the same incident.
- Motion of Parties--charges dismissed on motion of the parties; includes dismissal granted as part of plea negotiation or bargain.
- Lacked Probable Cause/No Prima Facie Case--charges dismissed because the state or city has not established probable cause, or does not have sufficient facts or evidence, charging document is inadequate, or defendant cited was not the person who committed the offense.
- Charges Not Filed Pending Investigation--charges not filed at this time pending further investigation.
- Witness Not Present/Victim Request--charges dismissed because witnesses are not present or are uncooperative, or at the request of the victim.
- Recall Warrant Expired--includes charges dismissed; warrant expired; recalled on state's or city's motion.
- Other--charges dismissed on other state's or city's motion. Includes compromise of misdemeanor and charges dismissed due to defendant's current incarceration.

3 The categories under this heading are as follows:

- Recall Warrant Expired--includes charges dismissed; warrant expired; recalled on state's or city's motion.
- Other--charges dismissed on other court's motion.

- 1 Data in this statewide table are not comparable to those presented in the court-level caseload tables, due to different reporting definitions. Figures in this statewide table are based on numbers of charges, whereas some DUI figures in the court-specific tables are based on numbers of cases. For correct interpretation of figures, please refer to the glossaries which accompany each set of tables.
- 2 This table contains counts, percentages, and averages for charges that resulted in a guilty finding or bail forfeiture during the reporting period. Guilty findings include charges disposed with a finding of guilt resulting from the revocation of a deferred prosecution or other deferral program. The table does not include charges awaiting sentencing.
- 3 The columns are defined as follows:
  - Imposed Number--the number of charges where the sentence condition was imposed.
  - Imposed Percent--the percentage of total guilty charges in that row which imposed that sentence condition.
  - Imposed Average--the average number of days or dollars imposed for that sentence condition.
  - Ordered to Serve/Pay Number--the number of charges where the sentence condition was ordered to be served/paid.
  - Ordered to Serve/Pay Percent--the percentage of total guilty charges in that row where the sentence condition was ordered to be served/paid.
  - Ordered to Serve/Pay Average--the average number of days or dollars that were ordered to be served/paid for that sentence condition.

\* Excludes a full time presiding judge who is unavailable to hear cases. Currently only applies to King County as required by local ordinance.

1. Year 2004 projected filings are based on the previous five year filing trends of the various case types in a given court.
2. Need estimates are based on the previous five years of data for the number of total judicial officers and case resolutions.

## **Description of Courts of Limited Jurisdiction Judicial Needs Estimation**

In August 2002, a new methodology for estimating judicial needs of the courts of limited jurisdiction was adopted by the Administrative Office of the Courts in conjunction with the District and Municipal Court Judges Association. Beginning with the 2002 Annual Report, an annual table will be published displaying court-level judicial needs estimates using this methodology along with a brief description of the process. The district and municipal court model for estimating judicial needs is workload based. The estimates are derived from a statistical model with two primary data components: (1) the observed caseload processed and (2) the number of available judicial officers. The caseload measure is represented by judge and commissioner FTEs. In order to insure that a good representative sample underlies the estimation, the data are drawn from courts across the state and from the past several years. Estimates are presented only for municipal courts with current judicial staffing levels of 15 hours per week or above. This type of approach has wide usage in a number of diverse applications and so provides a well-established base model. One of the inherent advantages of this methodology is the facility to capture changes in practice over time.

1 Does not include related criminal charges, which are included in non-traffic misdemeanors.

2 Some courts have felony probable-cause activity, in addition to the formal felony complaint filings shown here. For felony probable-cause statistics, see the "Felony Complaints" court-level table appearing later in this publication.

3 Figures are incomplete. Many courts manage their parking infraction cases outside of JIS. Data for a specific court may be available from that court.

1 Does not include related criminal charges, which are included in non-traffic misdemeanors.

2 Figures are incomplete. Many courts manage their parking infraction cases outside of JIS.  
Data for a specific court may be available from that court.

1 Dispositions do not reflect outstanding warrants. DUI dispositions--like DUI charges--include those for any secondary charge on a DUI citation.  
 2 Dismissals include cases in which the defendant has successfully completed the terms of deferred prosecution.

**Note: For more detailed DUI disposition and sentencing information (statewide figures only), see separate section "Driving Under the Influence."**
