Attorneys for Respondents

Respondents oppose Appellants' Motion to Amend Petition for Review. We adopt the arguments set forth in Respondents' Memorandum Opposing Motion to Extend Time. The case has been fully and fairly adjudicated through two separate lawsuits, two separate appeals and a previous Petition for Review before this court.

Because the original Petition for Review was untimely, any effort to amend such a petition is likewise untimely. The motion should be denied.

Respectfully submitted: June 6, 2023.

Pursuant to RAP 18.17, I hereby certify that this memorandum contains 70 words.
