Appellant, PROISE

R.C.W.

R.C.W. 4.105.060. Dismissal of cause of action in whole or part.

(1) motion under Rcw. 4.105.020, the court shall dismiss with prejudice a cause of action, or part of a cause of action, if: (a) The moving party establishes under Rcw. 4.105.010. (2) that this chapter applies; section (2)(b) The cause of action is perjury, it was committed upon the direction of the state, having full knowledge of facts stood by and allowed the States witness who lacked personal knowledge testify under oath, to facts there are no facts of. A lie is a lie. To break or bend a law is not justice. This section in this case applies in whole. Then a combined combination, the power of the courts in finding of one could not do without process of the others. Rcw 4.105.030 Moving Party fails to provide notice prior to this motion but affects not moving Party's right to relief, Rcw 4.105.090 left to the fate of the court.
