STATEMENT OF ADDITIONAL
GROUNDS FOR REVIEW

I, Charles Totus, have received and reviewed the opening brief prepared by my attorney. Summarized below are the additional grounds for review that are not addressed in that brief. I understand the Court will review this Statement of Additional Grounds for Review when my appeal is considered on the merits.

Additional Ground 1

Taken of blood without a warrant

Additional Ground 2

The stereotyping statements the Judge made to me at the end of my trial

If there are additional grounds, a brief summary is attached to this statement.

To whom this may concern

As of today, I have no copy of any brief at all. I hope that I do get a copy soon. I have not been informed of anything. I did send a letter in September but no response back. I do not know what to do on this paper that was sent to me. I'm really afraid to do anything wrong that will make me lose my chance of appeal. I'm just hoping that I can be helped by you. I believe my right was violated by taking my blood without a warrant.
