STATEMENT OF ADDITIONAL
GROUNDS FOR REVIEW

I, John Russell, have received and reviewed the opening brief prepared by my attorney. Summarized below are the additional grounds for review that are not addressed in that brief. I understand the Court will review this Statement of Additional Grounds for Review when my appeal is considered on the merits.

Additional Ground 1

During trial, after opening statements, juror ~~was~~ number 10 Michelle Peterson admitted in open court that she remembered that she had prior knowledge of the case. She stated that she works at the hospital the victim was taken to. She also said she was in close proximity with the victim and knew all about the events that caused the injury to the victim. For what ever reason it is not on the record, but I can prove through affidavits it occurred. I believe this juror to be bias, and is an infringement of my 6th Amendment rights.

Additional Ground 2

If there are additional grounds, a brief summary is attached to this statement.
