The State takes no position on whether this Court should supplant counsel's petition for review with the pro se petition. Regardless of which petition for review this Court considers, the State cross-petitions for review of the court of appeals' reversal of the community-custody condition pertaining to sex-related businesses, as outlined in its Answer and Cross-Petition.

This Court also should stay consideration of the petition(s) and cross-petition pending the outcome of State v. Nguyen and State v. Norris, consolidated under Supreme Court No. 94883-6.
