STATEMENT OF ADDITIONAL  
GROUNDS FOR REVIEW

FILED

CLERK OF COURT

I, Zachary Frazier, have received and reviewed the opening brief prepared by my attorney. Summarized below are the additional grounds for review that are not addressed in that brief. I understand the Court will review this Statement of Additional Grounds for Review when my appeal is considered on the merits.

Additional Ground 1

My amendment rights has been violated. I WAS NEVER READ MY MIRANDA RIGHTS. I NEVER MADE ANY STATEMENT. But one officer testified on stand that I did ~~commit~~ it so my miranda rights should have been read to me / My rights to a speedy trial have been violated. My trial date were continuously being put off for reasons that were not unforeseen.

Additional Ground 2

Ineffective counsel. My attorney did not put forth any effort to defend me effectively. No investigation was done on my behalf. He provided no opening statement. He was not prepared for trial. Judge Culbertson criticized him openly in court for not being prepared. Also during the course of the trial, his cross examination and closing argument were incriminating to me. He ignored most of my requests starting with my request for a investigation, A opening statement - continued

If there are additional grounds, a brief summary is attached to this statement.
