STATEMENT OF ADDITIONAL  
GROUNDS FOR REVIEW

I, Victor Martinez, have received and reviewed the opening brief prepared by my attorney. Summarized below are the additional grounds for review that are not addressed in that brief. I understand the Court will review this Statement of Additional Grounds for Review when my appeal is considered on the merits.

Additional Ground 1

I don't think that my alcohol level was advised. Because when I got into the station I was not test for sobriety. And I also want the tape from the police car of that night. It would have me telling the officer how much alcohol I consumed.

Additional Ground 2

It was charged with intentional murder and there is no intent. I need for you guys to show how it was intentional. And what evidence say intentional. It is an excusable homicide. I say if told you guys it was accidental and that's what it was.

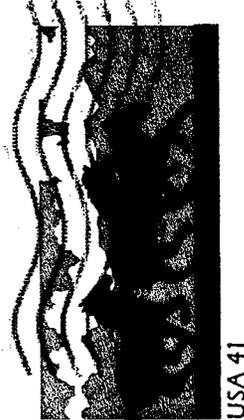

If there are additional grounds, a brief summary is attached to this statement.
