STATEMENT OF ADDITIONAL  
GROUNDS FOR REVIEW

I, Adrian Vassel, have received and reviewed the opening brief prepared by my attorney. Summarized below are the additional grounds for review that are not addressed in that brief. I understand the Court will review this Statement of Additional Grounds for Review when my appeal is considered on the merits.

Additional Ground 1

When I was sentenced I had 6 prior Felony points however the court sentenced me with 8 points. My original charges carried a crime witch multiplied my points by 2 for a past burglary charge, they dropped the burglary charge witch should of dropped the multipling factor. Therefore I should of been sentenced with only 6 points an my range would of been 31 - 48 months instead of 50 - 70 months with 8 points. I'd like this reviewed.

Additional Ground 2

in past cases I was always sentenced on the points I had prior to any new charges, this time I was sentenced on points I did not have, I'm requesting the court to review my points an to be ~~resentenced~~ resented on the 6 points I had not the 8 points I got after sentencing.

If there are additional grounds, a brief summary is attached to this statement.
