STATEMENT OF ADDITIONAL
GROUNDS FOR REVIEW
RAP 10 10

I, Robin Hylton, have received and reviewed the opening brief prepared by my attorney. Summarized below are the additional grounds for review that are not addressed in that brief. I understand the Court will review this Statement of Additional Grounds for Review when my appeal is considered on the merits.

Additional Ground 1

Attorney mistake. There were approximately 35 hearings I attended. I missed two. The one for which I am charged could have been done over the phone (as was done on this case at other times). When my attorney did not return my calls, I assumed I needn't be there.

Additional Ground 2

Prosecutorial vindictiveness. The second hearing I missed (for which I was not charged) was set by the prosecutor

Without proper notification, The day after the hearing The Riverside County Sheriff's went (California) to my house to arrest me.

Additional Ground B

Jury tampering. The prosecutors opening remarks at voir der indicated having previous contact and a sense of familiarity with the jury. Not withstanding da's attempt at humor with the jury during this serious matter.

Additional Ground 4

Arbitrary Action. The prosecutors office does not ~~pro~~ prosecute most bail jumps.

Not Bail Jump. The circumstances that kept me from being there were a reliance on my attorney to help me and most importantly, for \$20,000, communicate with me, in a timely fashion. When that circumstances no longer existed, I appeared immediately, as instructed,

the following Thursday,

If there are additional grounds, a brief summary is attached to this statement.
