STATEMENT OF ADDITIONAL
GROUNDS FOR REVIEW

R.A.P. 10.10

I, Nancy Tillett, have received and reviewed the opening brief prepared by my attorney. Summarized below are the additional grounds for review that are not addressed in that brief. I understand the Court will review this Statement of Additional Grounds for Review when my appeal is considered on the merits.

Additional Ground 1

(The Right to A Speedy Trial) The Court Violated my right to a speedy trial by not having my trial within the 90 day limit and I never signed a waiver of speedy trial and I told my attorney about it but he never did anything about it I tried to tell the Judge about it but he would not let me speak said to sit down and that my attorney had to speak for me but he did not.

Additional Ground 2

Also I believe but I'm not sure if I'm wording this properly but the court had no jurisdiction on the subject matter the court used evidence that pertained to Mr McShepard not me the buys that Ms. Swedburg did in my home without my knowledge were done on Mr. McShepard not on me but yet the prosecutor used that evidence in the court on me.

If there are additional grounds, a brief summary is attached to this statement.
