STATEMENT OF ADDITIONAL
GROUND FOR REVIEW

I, Sean Stoll, have received and reviewed the opening brief prepared by my attorney. Summarized below are the additional grounds for review that are not addressed in that brief. I understand the Court will review this Statement of Additional Grounds for Review when my appeal is considered on the merits.

Additional Ground 1

The court allowed and/or my Attorney did not properly object to one of the Jurors which I believe was prejudice for the reason of, I was involved in a hit & run auto accident which his wife was the victim. Although he stated on record he could be impartial, I believe it still could have influenced the other Jury members and the result of, I was deprived of the right to a fair trial.

Additional Ground 2

My trial Attorney failed to properly take action when I believe there was more than enough grounds to ask to impeach S.R.J. for the following reasons. There was several prior inconsistent statements and also conflicting forensic evidence. The results of ineffective assistance of counsel, as shown here, violated my Constitutional rights and therefore deprived me of the right to a fair trial.

If there are additional grounds, a brief summary is attached to this statement.
