STATEMENT OF ADDITIONAL
GROUNDS FOR REVIEW

I, Robert Mayo, have received and reviewed the opening brief prepared by my attorney. Summarized below are the additional grounds for review that are not addressed in that brief. I understand the Court will review this Statement of Additional Grounds for Review when my appeal is considered on the merits.

Additional Ground 1

I would like to appeal my Robbery 2° and my Burglary 1°. There was never a cell phone found in my case and there was nothing but hearsay that said there was a cell phone found. Since there was never a cell phone found and no way to prove that a cell phone was stolen, then the Robbery 2° and the Burglary in the 1° should be overturned and terminated from my record.

Additional Ground 2

I would like to appeal my points and my sentencing range. I only had ONE point for a possession charge and 1 point for the Robbery 2° which only adds up to 2 points. I feel my points should be at 2 points but at 5 points at the most maybe less. Under these circumstances, there is grounds for resentencing.

If there are additional grounds, a brief summary is attached to this statement.
