STATEMENT OF ADDITIONAL  
GROUNDS FOR REVIEW

I, Richard Bunch, have received and reviewed the opening brief prepared by my attorney. Summarized below are the additional grounds for review that are not addressed in that brief. I understand the Court will review this Statement of Additional Grounds for Review when my appeal is considered on the merits.

Additional Ground 1

council failed to provide complete discovery package missing pages - photographs, pages containing phone records these missing item are the primary evidence used against me, the prosecution and my attorney would have known that with this discovery info, I would have been able to mount an effective defence - I believe council Robert Timerson withheld this discovery intentional so I would not challenge this discovery in pretrial motions
