No. 42434-7-II
STATEMENT OF ADDITIONAL
GROUNDS FOR REVIEW

I, Daniel W. Burgess, have received and reviewed the opening brief prepared by my attorney. Summarized below are the additional grounds for review that are not addressed in that brief. I understand the Court will review this Statement of Additional Grounds for Review when my appeal is considered on the merits.

Additional Ground 1

There was a surveillance video that myself and my lawyer had no knowledge of until the day of trial because it wasn't provided with the discovery. My lawyer moved to dismiss the video for violation of discovery under Brady v. Maryland but the motion was denied. The video was still shown.

Additional Ground 2

Violation of speedy trial rights

If there are additional grounds, a brief summary is attached to this statement.
