STATEMENT OF ADDITIONAL  
GROUNDS FOR REVIEW

I, Michael S. Vaughn, have received and reviewed the opening brief prepared by my attorney. Summarized below are the additional grounds for review that are not addressed in that brief. I understand the Court will review this Statement of Additional Grounds for Review when my appeal is considered on the merits.

Additional Ground 1

Defense attorney Ron Sergi objected to the court's decision to show to the trial jury the video recording of my person inside Sandy's Deli, just prior to and then including, the arrival of Mason County Sheriff deputy Heilman - a piece of material completely irrelevant as to whether or not I had operated a motor vehicle on public highways while under the influence of intoxicants. Missing was an objection from the same when prosecutor Jason Richards strayed outside the scope of my testimony during cross examination. Answering Richard's question as to how I treated WSP trooper Richardson damaged my defense to the charge of Malicious Mischief in the first degree.
