I understand the Court will review this Statement of Additional Grounds for Review when my appeal is considered on the merits.

Additional Ground 1

My Attorney did not include that my handprints were not on any of the gun's, the car that they say i was in [Detectives] i am currently serving time for a charge but my fingerprints were not on any evidence that the law charged me with in this case.

Additional Ground 2

I was brought to jail with no additional warrants I was being investigated with a charge that had nothing to do with this case and i was detained when they did the illegal search / And Juror #11 went to sleep during the whole trial then at the end of my case they found out juror #11 son was suppose to be on the bench
