No. 50924-5  
STATEMENT OF ADDITIONAL  
GROUNDS FOR REVIEW

I, George Chapa, have received and reviewed the opening brief prepared by my attorney. Summarized below are the additional grounds for review that are not addressed in that brief. I understand the Court will review this Statement of Additional Grounds for Review when my appeal is considered on the merits.

Additional Ground 1

The fact that Morissas parental rights were terminated and  
was still allowed to speak on behalf of the victims. I feel they  
gave great weight into someone who has controlled and abused me.

Additional Ground 2

The fact the Doc officer never looked into the "No no contact  
violations which were on me. I am the victim of a no contact  
order against Moriss Blair. This is the person the court gave great  
weight into for her opinion on my denial

If there are additional grounds, a brief summary is attached to this statement.
