No. 51401-0-II BY _____
STATEMENT OF ADDITIONAL
GROUNDS FOR REVIEW

I, Keandre Brown, have received and reviewed the opening brief prepared by my attorney. Summarized below are the additional grounds for review that are not addressed in that brief. I understand the Court will review this Statement of Additional Grounds for Review when my appeal is considered on the merits.

Additional Ground 1

My right to a speedy trial. I asked to get my case separated from my co-defendants, and they wouldn't but they used that as the reason I couldn't get a speedy trial, but we never went to trial together because my co-defendant had 2 separate robberies and I only had 1, and he took a plea bargain. So, they denied my right to a speedy trial based on my co-defendant who never should have been my co-defendant and he wasn't in there.

Additional Ground 2

lack of effective counsel, my lawyer got it to where the witness (my co-defendant's P.O.) who said he recognized me from the street couldn't be cross examined effectively because his being a P.O. wasn't allowed, but my lawyer talked to jurors after trial, and they said, "They put 2 and 2 together and knew he was a P.O. They thought he was my P.O., and that implied I was a Felon already"

If there are additional grounds, a brief summary is attached to this statement.
