No. 51822-8-II  
STATEMENT OF ADDITIONAL  
GROUNDS FOR REVIEW

I, Arkangel Howard, have received and reviewed the opening brief prepared by my attorney. Summarized below are the additional grounds for review that are not addressed in that brief. I understand the Court will review this Statement of Additional Grounds for Review when my appeal is considered on the merits.

Additional Ground 1

My trial had already started before the material witness, "Kerrie Sizemore" was arrested and brought in to testify. My trial was "stopped" for both the state and my public defender to question. I don't understand how she was able to testify if my trial had started without her. The prosecution told the judge "he was ready without her. And I believe he threatened her to get her to say what he needed her to say.

Additional Ground 2

My jury was bias. It didn't take them no time at all to deliberate. I believe there decision was bias. I don't believe they even discussed the case or evidence. There were times where the judge caught one of the jurors falling asleep and we had to take a recess. I don't believe I had a fair trial.

If there are additional grounds, a brief summary is attached to this statement.
