The newly discovered evidence I am presenting is a location record from November 17, 2017. The record is my Cellular phone locations found in google maps history. How I came across this evidence was when mine and La Tanya's home was burglarized in September 2019 while La Tanya and our daughter was visiting me. La Tanya reported the crime and missing items that was taken from our home to the local authorities. One of the items that was taken from our home was my cell phone. Deputy Baker with the Cowlitz County Sheriffs Department came out to our residence to take a report and showed La Tanya how to track my phone through google maps location history. By doing this they were able to track down who commited the crime and recovered the cell phone. La Tanya then searched the history for the date I was accused

of these crimes and this record has been provided. I was unaware that this crucial evidence existed and that google maps tracked my locations of my phone. If I knew this existed I would have presented this record promptly before trial or at the time I was questioned by Detective Watkins.

H.K.'s trial testimony differs from the evidence I'm presenting. H.K. testified that I arrived "around 8:00 p.m." RP 152, 197. Andrew Luna testified we arrived in town at 8:00pm and I dropped him off at home RP 228, 232 after leaving work early and scouting hunting locations for 8 hours RP227. H.K. testified I was at her residence for "an hour" RP199. H.K. testified I was inside her residence for 30 minutes before she was assaulted RP200 and she offered me a drink RP 198-199. H.K. testified that I tackled her to the ground and she fought me off for 15 minutes RP201.

H. K. testified that after she fought me off I left for 10, 15 or 20 minutes before reentering the residence RP 202 and then stayed for 5 minutes and then left again RP 204.

I dropped Andrew Luna off 8:00 - 8:10 at his home. Then stopped by Corey Jones and H.K.'s residence to see why Corey was failing to show for work RP 228-229. I stopped by because Corey and I were friends and didn't want to see him lose his job, I also was his supervisor RP 252-253. Since Corey wasn't at his residence I had a brief conversation with H.K. asking if she would tell corey he need to be at work the following day Or he might lose his job then I proceeded home RP 128-129, 304. I arrived home at 8:39 pm. and this can be verified with the evidence I'm presenting. It take about 10 minutes to travel from Andrew Luna's residence to Corey Jones and H.K.'s residence RP 232.

It takes about 15 minutes to travel from Corey Jones and H.K.'s residence to the apartment that La Tanya and I were leasing then. I also had to park on the street and walk to our apartment in the complex due to the lack of parking spots and La Tanya was already occupying our assigned space since she had our daughter. I did not commit this crime. I was at home when the Complaining witness H.K. testified to when she was assaulted.

This print out of my cellular phone's location history verifies Andrew Luna's testimony at trial and my statement to Detective Watkins. I believe if this crucial evidence was discovered before trial and presented at trial the outcome would have been very different. This evidence verifies the length of time Andrew Luna and I were out scouting hunting locations and verifies

what time I arrived home on the evening of November 17, 2017. Thank you for your time addressing this very Important evidence.

I am asking for the Court to reverse both of my convictions.
