I, Isidro Valencere, have received and reviewed the opening brief prepared by my attorney. Summarized below are the additional grounds for review that are not addressed in that brief. I understand the Court will review this Statement of Additional Grounds for Review when my appeal is considered on the merits.

Additional Ground 1

1. I WAS not seen at the house more than 1 time when working on the Mail Box,
2. When the searched me and followed me they did not stop to see if I was carrying any drug or had lots of money.
3. The Bag of Marijuana that the cop said I had was the only thing said to get me arrested, but NO picture of me carry that Bag only his own words

Additional Ground 2

4 When the officers, type up the warrant he said that what charge we can put on this guy, but we did not have anything on me, so they decided to call imagination on me, so they can hold me in till they could press charges on me, with possession with intent to delivery, They had nothing on me I was there at the wrong time and place wads just help somebody put up a mail box, up with (7yrs old son)

If there are additional grounds, a brief summary is attached to this statement.
