RE: Bellevue School Dist. v. E.S., No. 83024-0 (Errata Sheet)

Dear Mr. Carpenter,

Attached is an "Appendix A" which is referenced at page 2, note 1, in my Supplemental Brief of Petitioner (Revised), filed on October 28, 2009. This appendix was attached to the Supplemental Brief that I originally filed in this case. This Court rejected that first brief due to its length, and the brief was re-submitted on October 28th. Unfortunately, it appears that the appendix was inadvertently not included in the electronic copy sent to the court, a fact I just discovered today.

I would be grateful if the Court could accept this "Appendix A" as an "errata" sheet, and ensure that it is submitted to the justices for their consideration along with my Supplemental Brief.

Please let me know if there is anything further that must be done to ensure that the appendix is available for the justices to review.

Sincerely,

James M. Whisman
