A. ARGUMENT

I feel that the judge made his decision based on all of the evidence that was provided. Which included all of the evidence and information to make a judgment on the relocation. I don't feel that his decision would change based on the other requirements. I believe that he has made the best choice for Corbin's best interest and growth based on the evidence and statements that were presented to him. Sending this issue back through the court system will be a waste of the courts time and resources.

DATED this 27 day of October, 2016.

Respectfully submitted,

	Jesse Finken 22232 5th pl W Bothell, WA 98021 (206) 512-7886
