## Program Managers & Registry Application Procedure

If your county is **not** listed below, visit the superior court's website or contact the superior court administrator listed in the [Washington Court Directory](#).

To apply to be a GAL, an application must be made to each superior court in which you wish to serve. Completion of GAL training does not automatically place your name on a county's GAL registry. Information about a county's GAL registry application procedure can be obtained from the county's GAL program manager.
