STATEMENT OF ADDITIONAL
GROUND FOR REVIEW

I, Richard Mickelson, have received and reviewed the opening brief prepared by my attorney. Summarized below are the additional grounds for review that are not addressed in that brief. I understand the Court will review this Statement of Additional Grounds for Review when my appeal is considered on the merits.

Additional Ground 1

When I was in Thurston county Jail. I had X-RAYS Done of my Ribs for an injury that occurred when NATE ABBET Hit me with his Jeep. his Jeep was running the whole of the event and in my opinion was a weapon the whole time. My lawyer asked for a continuance so he could obtain these records. but never produced them at court. in my opinion this was key evidence in my self defence case

Additional Ground 2

When the bat that was recovered from the scene of the crime was analysed there was no blood, fingerprints, or any thing tying it to the scene but yet everyone involved says there was no gloves used. when the jury was deliberating they asked bailiff Betty to check the ground for glass. she went and checked and told them that there was. which is why they found us guilty of the weapons enhancement. Bailiff Betty broke the process in this and the weapons enhancement must be over turned.

If there are additional grounds, a brief summary is attached to this statement.
