**MOTION TO EXTEND THE TIME TO FILE A PETITION FOR REVIEW**

Appellant respectfully requests for the Court to extend the time for the filing of the Petition for Review.

On February 10, 2014, Appellant already submitted a Petition for Review. However, it appears Appellant may have overlooked some procedural requirements as cited in your March 19, 2014 letter. Specifically - the February 10, 2014 was mailed on February 10, 2014 but received by the court on February 12, 2014, two days past due.

In compliance thereof, Appellant is now filing this Motion to Extend. Also, a new check for \$ 200 filing fee is being returned, addressed to the Supreme Court; the earlier check was sent to the Court of Appeals.

.....

For the record, Appellant (a non-lawyer) wrongly relied on the following in filing the earlier February 10, 2014 petition:

*" ... if the time period in question applies to a party serving a paper by mail, the paper is timely served if mailed within the time permitted for service....." RAP 18.6,(b)*

*" ... The first party to file a petition for review must, at the time the petition is filed, pay the statutory filing fee to the clerk of the Court of Appeals...." RAP 13.4(a)*

RESPECTFULLY SUBMITTED, March 24, 2014.
