v. State of Washington, Oct 20,  
Respondent, 2014  
3663b

**MOTION FOR 10-DAY EARLY  
RELEASE**

Comes Now Petitioner And States:  
Petitioner hereby moves to be awarded  
the 10-day early release (November 24,  
2014), hitherto promised to him by WA  
DOC. (See DOC Policy Manual at 3.) He is  
being denied this earned early release, solely  
because he lacks a DOC-"approved" address. See  
State v Maple, 171 Wn. App 44, 51, 286 P.3d  
386 (2011). This denies Petitioner protection of the laws.
