COURT OF APPEALS  
DIVISION III  
STATE OF WASHINGTON

1-19-14

P. J. Linnell

Statement of Defendant Linnell

Hello,

I'm requesting from you to take a look at my  
Criminal history. The 3 VU 8A in 1988 were charged under  
the same case #88-1-00365-4 and the sentencing court found  
to encompass the same criminal conduct. And because they  
could not agree on the case, fail to return to work, release  
back in 1988, it was a misdemeanor and they do not  
count. with my 1988 case should not count toward  
the calculation of my offender score. My next conviction  
from 1988 was on September 9-02 therefore up to that point  
my offender score should be zero, not a 3 conviction in 2002  
were 2 cases concurrent. The court has the authority to count  
them as one or three, either way they decide, the correct off-  
score should be 3, and I was sentenced with an offender  
score of 16. Also may I get all my jail time credited to my prison  
time on this case #12-1-01560-6 from 10-10-12, to 6-12-13 along with the  
good time that comes with it. We thank you.
