No. 70496-6-1
STATEMENT OF ADDITIONAL
GROUNDS FOR REVIEW

I, Jeffery D. Brown, have received and reviewed the opening brief prepared by my attorney. Summarized below are the additional grounds for review that are not addressed in that brief. I understand the Court will review this Statement of Additional Grounds for Review when my appeal is considered on the merits.

Additional Ground 1

The State found a pre-paid cell phone during my arrest, read the texts and made buys - Then 3 officers testified about conversations and arrests made when answering the phone - All the while the phone was never introduced into the evidence. - The state did not have a search warrant for the phone specifically. I.E. three different cases have been overturned recently for similar circumstances! I feel my constitutional rights under Art. I § 7 were violated as well as my right to privacy.

Additional Ground 2

During my trial the prosecutor presented evidence to the jury, and read them the lab reports to evidence I was not on trial for. he showed and presented to the jury (methamphetamine) while I was only on trial for cocaine and Heroin - I feel by him doing this he prejudiced the jury against to me.

If there are additional grounds, a brief summary is attached to this statement.
