STATEMENT OF ADDITIONAL
GROUND FOR REVIEW

I, Javier, Sanchez, have received and reviewed the opening brief prepared by my attorney. Summarized below are the additional grounds for review that are not addressed in that brief. I understand the Court will review this Statement of Additional Grounds for Review when my appeal is considered on the merits.

Additional Ground 1

When the trial happend I only had 11 jurors because one guy said he didnt leave i was guilty, then they made him leave. and nobody even said guilty untill everbody left my attorney was the one who said I was guilty. and I was in jail for a year and saw like 50 perpe not go to work crew and they only got escape 3, like 10 days in jail.

Additional Ground 2

I only had 3 points but the prosecutor said I had 5 Thats why I got so much time. I just believe that 20 month in prison is way to harsh a sentence for not going to work crew. I only didnt answer the phone because I wasnt there. I + was January 1st New years day. When they called me. I hope that you can help me out. Im Sorry for what i did.

If there are additional grounds, a brief summary is attached to this statement.

I know that It's really hard for me to win. I just want to have faith that whoever gets this letter can help me get out of this prison. I am really sorry for not going to work crew. and I went and did the law library and I didnt escape from a detention facility. Ive been in here for over a year for gettin caught with weed I thought it was legal. then I had to plead guilty. I got 10 month on work crew but the Jail called me on January 1st the day after new years. I wasnt home so I got a warrent and arrested. I really want to change my life and belive that the court system isnt doing stuff like this. to people just coz they dont have money to get a lawyer. because we are all human's who feel things and I think putting people through this aint right. I also want to say that while I was in county jail I saw at least 50 people not go to work crew and they only got a misdemeanor. and at the most 30 days in jail.

Thanks,
