STATEMENT OF ADDITIONAL
GROUNDS FOR REVIEW

I, Richard Payne have received and reviewed the opening brief prepared by my attorney. Summarized below are the additional grounds for review that are not addressed in that brief. I understand the Court will review this Statement of Additional Grounds for Review when my appeal is considered on the merits.

Additional Ground 1

#1 I feel it is unconstitutional and cruel and unusual punishment to be sentenced to life in prison without any possibility of parole. This is not a 3 strikes case and I was only convicted of attempted over 10 years ago. I feel this is unfair and unjust

Additional Ground 2

#2 I object to the PSI and Judge O'Connor making false statement that there are hundreds of prior victims. This is not true and there is no proof at all to the statement. I want this false statement out of all court records and the PSI

If there are additional grounds, a brief summary is attached to this statement.

Additional Grounds for REVIEW RAP 10.10

#3 Judge O'Connor did not specifically tell me to be at the Aug 16, 2013 hearing of contempt of court at the Aug 1, 2013 hearing where my attorney was not present. At this hearing I believe I was led to believe this contempt hearing did not concern me only my attorney. I had been to every prior hearing up to this point. All of these hearings are important to me because they involve the rest of my life. I feel Judge O'Connor misled me at this hearing Aug 1, 2013.

Judge O'Connor should be held by this court to a higher standard, not allowed to make false or misleading statements. I believe Judge O'Connor lied and deliberately attempted to frustrate and create confusion in my case and my relationship with my attorney.

#4 I feel the Judge erred by not granting my motion for arrest of judgement and reconsideration and reversing the verdicts. Please see all motions filed in this case

#5 I feel there isn't enough evidence beyond a reasonable doubt to convict in counts I, II, III
