STATEMENT OF ADDITIONAL
GROUNDS FOR REVIEW

I, Randy Simms have received and reviewed the opening brief prepared by my attorney. Summarized below are the additional grounds for review that are not addressed in that brief. I understand the Court will review this Statement of Additional Grounds for Review when my appeal is considered on the merits.

Additional Ground 1

The pictures I'm accused of taking there is no evidence I took. They didn't show up for 1 year & 10 years later on a memory card that didn't come from me or my camera or phone. It was found in my complaint 1 1/2 years after seizure

Additional Ground 2

The two complainants even said they took the pictures and the girl was blamed on the people of rape who was proved she wasn't

If there are additional grounds, a brief summary is attached to this statement.

Sorry for the bad penmanship

The pictures I accused of taking
there is no evidence I took
them.

The two people that accused me
of taking them, came up with
them 1 1/2 years after they
accused me of it.

Also they didn't get the pictures
from any of my phones, I am not
of anything of mine which I
gave them 3 phones my camera
and everything.

Also at first I was charged
with taking pictures of
both of ~~them~~ them, then all
the sudden its only one of them
they testified they took the
pictures.
